

CURRICULUM VITAE

Mark Andrew Pereira

Academic Rank

Professor, Epidemiology & Community Health

Education

Degree	Institution	Date Degree Granted
B.S.	University of Massachusetts Exercise Science	1990
M.S.	University of Massachusetts Exercise Science	1993
MPH	University of Pittsburgh Epidemiology	1995
Ph.D	University of Pittsburgh Epidemiology Ph.D. Adviser: Dr. Andrea Kriska	1996

Positions/Employment

University of Minnesota, Campus [Twin Cities]	(2003 – present)
Professor	2016-pres.
Associate Professor	2006-2016
Program Director, Public Health Nutrition	2012-2015
Assistant Professor, Epidemiology and Community Health	2003-2006
Harvard Medical School	1999-2003
Assistant Professor of Pediatrics	2002-2003
Instructor in Pediatrics	1999-2002
Children's Hospital, Boston	1999-2003
Research Associate	1999-2003
Postdoctoral appointments	
University of Minnesota, Division of Epidemiology	1996-1999
Postdoctoral Fellow, Cardiovascular Epidemiology	1996-1999

Graduate appointments

University of Pittsburgh, Department of Epidemiology
Graduate Student Research Assistant

1993-1996

Membership in Professional Organizations

American Diabetes Association
American Heart Association, Council on Epidemiology and Prevention
American Society for Nutritional Sciences
Society for Epidemiologic Research
The Obesity Society (Fellow)

HONORS AND AWARDS FOR RESEARCH/CREATIVE WORK, TEACHING, PUBLIC ENGAGEMENT, AND SERVICE

University of Minnesota

2015 Appointed to *Chair* of the Biomedical Research Advisory Committee
2013 *Nominated for Student Advising Award*, School of Public Health, UMN
2012 *Outstanding Faculty Award* from the Council of Graduate Students, UMN
2012 *Nominated for Student Advising Award*, School of Public Health, UMN
2008 Teaching Commendation from the Division of Epidemiology Training Committee Chair, for excellent teaching evaluations in Public Health 6910
1998 *Hawley Student Research Award*, Division of Epidemiology, UMN

University of Pittsburgh

1995 *Best MPH Thesis in Epidemiology*, University of Pittsburgh

External Sources

2004 Fellow, North American Association for the Study of Obesity
2004 National Scientist Development Grant, American Heart Association
1997 Fellow, American Heart Association 23rd Ten-Day Seminar on the Epidemiology and Prevention of Cardiovascular Disease, Tahoe City, California
1997 Student Research Presentation Award, 4th International Conference on Preventive Cardiology, Montreal, Canada
1997 Invited Participant, NHLBI Cardiovascular Epidemiology/Biostatistics and Behavioral Medicine Training Session, Montreal, Canada
1996 Inductee, Delta Omega Honorary Society of Public Health
1995 Invited Participant, Society for Epidemiologic Research Student Workshop, Snowbird, Utah
1993-4 The National Dean's List

Visiting Professorships or Visiting Scholar Positions

Wageningen University, The Netherlands, October 1999, Nutritional Epidemiology / Meta-Analysis. Hosted by Dr. Martijn Katan.

RESEARCH, SCHOLARSHIP, AND CREATIVE WORK

Grants and Contracts

Received at the University of Minnesota

(Active Grants)

Investigator status: Co-Principal Investigator
External Agency: NIH/NCI R01
Project title and Dates: Stand and Move at Work: A Group-Randomized Trial, 7/02/15-7/01/19
Total Costs: \$2,594,911

Investigator status: Co-Principal Investigator
External Agency: NIH/NHLBI R21
Project title and Dates: Novel Analyses of Abdominal Computed Tomography Data in CARDIA, 4/1/15-3/31/17
Total Costs: \$228,000

(Past Grants)

Investigator status: Co-Investigator
Principal Investigator: Xinyi (Lisa) Qian
External Agency: Minnesota Department of Transportation
Project title and Dates: Assessing the economic impact and health benefits of bicycling in Minnesota 7/1/14-1/1/17
Total Costs: \$132,285

Investigator status: Principal Investigator
External Agency: NIH/NIDDK R01
Project title and Dates: Genetic and Environmental Determinants of Type 2 Diabetes in Chinese Singaporeans, 3/01/09-2/28/16 (includes no-cost extension)
Total Costs: \$3,568,564

Investigator status: Principal Investigator
External Agency: Bell Institute of Health and Nutrition
Project Title and Dates: Dietary Patterns, Cardiometabolic Risk, and Visceral Body Fat

	10/01/11-9/30/13
Total costs:	\$46,611
Investigator status:	Principal Investigator
External Agency:	NIH/NIA (R03)
Project Title and Dates:	Television Viewing and Risk of Injury and Chronic Disease Morbidity, 04/01/08-03/31/11
Total costs:	\$161,495
Investigator status:	Co-Investigator
Principal Investigator:	James Pankow
External Agency:	NIH/NIDDK (R01)
Project Title and Dates:	Inflammatory Precursors of Type 2 Diabetes 2005-2010
Total costs:	\$1,395,506
Investigator status:	Principal Investigator
External Agency:	American Heart Association National Scientist Development Grant
Project Title and Dates:	Effect of Dietary Composition on Exercise Tolerance in Obese Adults, 2004-2009
Total costs:	\$260,000
Investigator status:	Principal Investigator
External Agency:	NIH/NCI TREC Development Project
Project Title and Dates:	Metabolic and Behavioral Effects of Breakfast Frequency and Quality in Mexican-Americans, 2007-2008
Total costs:	\$50,000
Investigator status:	Principal Investigator
External Agency:	NIH/NCI TREC Development Project
Project Title and Dates:	Validation of Internet-Based Dietary Assessment, 2006-2008
Total costs:	\$50,000
Investigator Status:	Co-Investigator
Principal Investigator:	Leslie Lytle
External Agency:	NIH/NHLBI (R01)
Project Title and Dates:	Etiology of Childhood Obesity: A Longitudinal Study, 2006-2009
Total Costs:	\$1,948,363
Investigator Status:	Co-Investigator
Principal Investigator:	Leslie Lytle
External Agency:	NIH/NCI (R01)
Project Title and Dates:	Etiology of Adolescent Obesity, 2005-09
Total Costs:	\$3,070,103
Investigator Status:	Co-Investigator
Principal Investigator:	Mary Story
External Agency:	NIH/NHLBI (R01)
Project Title and Dates:	Bright Start: Obesity Prevention in American Indian Children, 2005-2007

Total Costs: \$1,476,314

Investigator Status: Co-Investigator

Principal Investigator: Leslie Lytle

External Agency: NIH/NHLBI (R01)

Project Title and Dates: Trial of Activity for Adolescent Girls: Field Center, 2004-05

Total Costs: \$1,608,076

Investigator status: Principal Investigator

External Agency: Nutritional Resource Foundation

Project Title and Dates: Effects of Fast Food on Body Weight and Health, 2005-2006

Total costs: \$90,000

Investigator Status: Principal Investigator

External Agency: Centers for Disease Control and Prevention, Intergovernmental Personnel Act

Project Title and Dates: The Role of Dietary Factors in the Etiology of Diabetes, 2003-2004

Total Costs: \$18,000

Investigator Status: Principal Investigator

External Agency: Bell Institute of Health and Nutrition

Project Title and Dates: Dietary Patterns, Obesity, and Related Chronic Conditions, 2001-2003

Total Costs: \$35,000

As Postdoctoral Fellow at UMN

Investigator Status: Co-Principal Investigator

External Agency: General Mills, Inc.

Project Title and Dates: A Pilot Study of Whole Grain Consumption and Insulin Action 1998-1999

Total Costs: \$35,000

Investigator Status: Principal Investigator

External Agency: General Clinical Research Center, University of Minnesota

Project Title and Dates: A Pilot Study of Whole Grain Consumption and Insulin Action 1998-1999

Total Costs: \$19,000

Received at other institutions:

Institution: Children's Hospital, Boston

Investigator Status: Principal Investigator

External Agency: Bell Institute of Health and Nutrition

Project Title and Dates: *Dietary patterns, obesity, and related chronic conditions*, 2001-2003

Total Costs: \$75,000

Institution: Children's Hospital, Boston
Investigator Status: Co-I (PI of Subcontract)
Principal Investigator: David R. Jacobs, Jr
External Agency: Bell Institute of Health and Nutrition
Project Title and Dates: The Effect of Whole Grains on Insulin, Inflammation, and Fibrinolytic Activity, 2000-2003
Total Costs: \$60,000

Institution: Children's Hospital, Boston via Harvard School of Public Health
Investigator Status: Project Director
Principal Investigator: Alberto Ascherio
External Agency: National Heart, Lung, and Blood Institute (R01)
Project Title and Dates: Pooling of Cohort Studies on Diet & Coronary Disease, 1999-2003
Total Costs: \$876,662

Institution: Children's Hospital, Boston
Investigator Status: Project Director
Principal Investigator: David S. Ludwig
External Agency: Charles H. Hood Foundation
Project Title and Dates: Diet and Obesity in Children, 1999-2003
Total Costs: \$650,000

Institution: Children's Hospital, Boston via Harvard School of Public Health
Investigator Status: Co-Investigator
Principal Investigator: Karen Peterson
External Agency: Centers for Disease Control and Prevention, Special Interest Project
Project Title and Dates: Building Comprehensive Obesity Surveillance, 2001-2003
Total Costs: \$50,000

Institution: Children's Hospital, Boston via Harvard School of Public Health
Investigator Status: Co-Investigator
Principal Investigator: Karen Peterson
External Agency: Centers for Disease Control and Prevention, Special Interest Project
Project Title and Dates: Exploring Innovative Strategies for a Comprehensive Nutrition and Physical Activity Surveillance System, 2001-2003
Total Costs: \$75,000

Institution: University of Pittsburgh
Investigator Status: Co-Investigator / Project Director
Principal Investigator: Andrea M. Kriska
External Agency: Sandoz Foundation for Gerontological Research
Project Title and Dates: Long Term Follow-up of a Randomized Exercise Trial in Postmenopausal Women, 1995-1996
Direct Costs: \$35,000

Institution: University of Pittsburgh
Investigator Status: Project Director
Principal Investigator: Andrea M. Kriska
External Agency: Hewlett International Small Grants Program

Project Title and Dates: A Collection of Physical Activity Questionnaires for Health-Related Research, 1994-1995
Direct Costs: \$100,000

University Sources of Funding

Investigator Status: Principal Investigator
External Agency: Shared University of Minnesota and Mayo Clinic CTSI/CTSA (SUMMA)
Project Title and Dates: Stand and Move Study, 10/01/12-3/31/14
Direct Costs: \$60,000

Investigator Status: Principal Investigator
External Agency: Food Policy Center, University of Minnesota
Project Title and Dates: Current Science and Challenges of Urban Food Deserts: Impacts on Childhood Health, 10/25/13-1/25/14
Direct Costs: \$19,100

Investigator Status: Principal Investigator
External Agency: Minnesota Partnership for Biotechnology and Medical Genomics
Project Title and Dates: Physiological and Behavioral Impacts of Adjustable Sit-Stand Workstations, 10/01/11-9/30/12
Direct Costs: \$50,000

Investigator Status: Principal Investigator
External Agency: Minnesota Obesity Center
Project Title and Dates: Effect of Breakfast on Hunger, Mood, and Cognition in Youth, 2005-2006
Direct Costs: \$40,000

Investigator Status: Principal Investigator
External Agency: Minnesota Medical Foundation
Project Title and Dates: Effect of Dietary Carbohydrate on Glycemia, Appetite, and Mood, 2004-2005
Direct Costs: \$25,000

Publications

Books or Monographs

1. **Pereira MA** (Editor). *Nutrition and Type 2 Diabetes: Etiology and Prevention*. 2013; CRC Press.

Role: I was sole editor for this text book. I planned, organized, recruited contributors, and contributed to many chapters myself.

2. **Pereira MA**, FitzGerald SJ, Gregg EW, Joswiak ML, Ryan WJ, Suminski RR, Utter AC, Zmuda JM. A Collection of Physical Activity Questionnaires for Health-Related Research. Kriska AM, Caspersen CJ (Eds.). *Medicine and Science in Sports and Exercise* 1997;29:S1-S205.

Role: I was project director with primary responsibility for data collection, synthesis, writing, and editing of this peer reviewed monograph journal supplement.

3. Qian X, Linscheid N, Tuck B, Lindsey G, Schoner J, **Pereira MA**, Berger A. *Assessing the economic impact and health benefits of bicycling in Minnesota*. Minnesota Department of Transportation, Research Services and Library. December 2016. <http://www.dot.state.mn.us/research/TS/2016/201636.pdf>

Role: I was a co-investigator and co-author, with significant responsibility for data collection, synthesis, writing, and editing of this report.

Refereed Journal Articles

1. Whitaker KM, **Pereira MA**, Jacobs DR Jr., Sidney S, Odegaard AO. Sedentary behavior, physical activity, and abdominal adipose tissue deposition. *Medicine and Science in Sports and Exercise*. 2017 (March; in press).
2. Buman M, Mullane S, Toledo MJ, Rydell S, Gaesser G, Crespo N, Hannan P, Feltes L, Vuong B, **Pereira MA**. An intervention to reduce sitting and increase light-intensity physical activity at work: Design and rationale of the ‘Stand & Move at Work’ group randomized trial. *Contemporary Clinical Trials*. 2017 (in press).
3. Drehmer M, **Pereira MA**, Schmidt MI, Alvin S, Lotufo PA, Luft VC, Duncan BB. Brazilian dietary patterns and the dietary approaches to stop hypertension (DASH) diet-relationship with metabolic syndrome and newly diagnosed diabetes in the ELSA-Brasil study. *Diabetology & Metabolic Syndrome*. 2017; 9:13. DOI: 10.1186/s13098-017-0211-7
4. Fabio A, Chen CY, Dearwater S, Jacobs DR Jr., Erickson D, Matthews KA, Iribarren C, Sidney S, **Pereira MA**. Television viewing and hostile personality trait increase the risk of injuries. *Int J Inj Contr Saf Promot*. 2017;Mar.24(1): 44-53.
5. Buman M, et al. Stand and Move at Work: A Group Randomized Trial. *Contemporary Clinical Trials* 2017.

Presentations

Invited Presentations at Professional Meetings, Conferences, etc.

1. **Pereira MA.** Keynote Presentation: *Artificial Sweeteners: Good or Bad?* Overcoming Obesity Conference, American Society of Bariatric Physicians. September 13th, 2014. Austin, Texas.
2. **Pereira MA.** *Genetic and Environmental Determinants of Type 2 Diabetes.* Department of Nutritional Sciences, University of Texas at Austin. September 12th, 2014.
3. **Pereira MA.** *Low-Calorie Sweeteners and Obesity: Summary of the Evidence.* 39th Annual Winter Meeting of the Toxicology Forum. Washington, D.C., January 28th, 2015
4. **Pereira MA.** *Diet Beverages and Risk for Obesity, Diabetes, and Cardiovascular Disease.* Symposium Presentation, annual meeting of The Obesity Society / Obesity Week, Atlanta, November 2013.
5. **Pereira MA.** *Experience of Switching from a Traditional Sitting Workstation to a Sit-Stand Workstation in Sedentary Office Workers.* 3rd Annual JustStand Wellness Summit, Minneapolis, Minn. July, 2013.
6. **Pereira MA.** *Using Sit-Stand Workstations to Decrease Sedentary Time in Office Workers: A Pilot Randomized Crossover Trial.* 2nd Annual JustStand Wellness Summit, St. Paul, MN 2012.
7. **Pereira MA.** Satellite Symposium Presentation. *Observational Studies of Diet and Type 2 Diabetes.* Experimental Biology Annual Meeting. Boston, MA, 22nd April 2013.
8. **Pereira MA.** *Confronting the Obesity Epidemic.* ‘At the Center – At the U’ Lecture Series. Osher Lifelong Learning Institute. University of Minnesota, Minneapolis. 15th February 2013.
9. **Pereira MA, Lee P.** *Capacity Building for Diabetes Prevention in Jamaica.* 5th Annual Meeting on Nephrology and Hypertension. Caribbean Institute of Nephrology, University of the West Indies, Montego Bay, Jamaica. January 2013.
10. **Pereira MA.** Panel Presentation Lecture. *Talking About Job Talks.* Panel presentation for pre- and post-doctoral training students in the course Epidemiology 2152. Department of Epidemiology, Graduate School of Public Health, University of Pittsburgh. 29th October 2012.
11. **Pereira MA.** *Is Weight Loss Necessary for Diabetes Prevention?* Interdisciplinary Women’s Health Lecture Series, University of Minnesota, 2012 March.
12. **Pereira MA.** *Genetic and Environmental Determinants of Type 2 Diabetes Risk: Feast or Famine?* Cardiovascular Institute, Bucaramanga, Colombia, July, 2011.
13. **Pereira MA.** Panel Presentation. *Dietary Fat and Cardiovascular Disease: Two Points of View.* Advances and Controversies in Nutrition, American Society for Nutrition. San Francisco, California, 2011.
14. **Pereira MA.** *Food convenience stores, soda intake and obesity.* Presented as part of the workshop: “Obesity: The Gene Environment Interaction and its Implications”. Melville Castle, Edinburgh, Scotland. May 9th to 12th, 2010.
15. **Pereira MA.** *Dietary Saturated Fat and Cardiovascular Disease: There and Back Again.* International Food Technology Annual Meeting. Chicago, IL, 2010.

16. **Pereira MA.** Symposium Speaker. *Effects of Breakfast Frequency and Quality on Energy Balance in Children and Adults.* Experimental Biology Annual Meeting. New Orleans, LA. April, 2009.

Websites

Physical Activity and Health Network (PAHNet). Co-developed and maintained as a graduate student at the University of Pittsburgh (~1995-1996) as part of the Global Health Network (PI: Ronald LaPorte). The site is no longer active.

TEACHING AND CURRICULUM DEVELOPMENT

University of Minnesota Courses Taught

- 2014-2015 *Writing Competitive Research Grants*. School of Public Health Summer Institute, Public Health.
- 2013-pres. *Concepts and Controversies in Public Health Nutrition and Health Promotion*, Public Health 3940
- 2010-pres. *Writing Research Grants*, Public Health 6348
- 2007-pres. *Critical Review of Research in Public Health Nutrition*, Public Health 6910
- 2005-2007 *Nutrition: Health/Disease Relationships*, Public Health 5933, 6933
- 2005 *Special Topics in Epidemiology: Type 2 Diabetes*, Public Health 8388
- 2004-2009 *Obesity and Eating Disorders*, Public Health 5075, 6075, 6390, 6000
(Sometimes co-taught)

Harvard Medical School Courses Taught

- 2000 *Introduction to Clinical Practice Guidelines* (co-taught)
Harvard Medical School, Harvard Medical International
- 2000 *Critical Reading of the Medical Literature* (Facilitator in small group section)
Harvard Medical School

Curriculum Development

Special Topics in Epidemiology: Type 2 Diabetes, Public Health 8388.

Introduction to Clinical Practice Guidelines, Harvard Medical School, Harvard Medical International.
Course co-development.

Collaborative Efforts and Activities

UMN Public Health Nutrition MPH Standard Track Hosted by Arizona State University, 2012 to present. Curriculum developed as Public Health Nutrition Program Director, working with faculty and staff at both institutions.

ADVISING AND MENTORING

Undergraduate Student Activities

Undergraduate Research Projects (UROPS) Advisees

- Diksha Srishyla
- Jessica Zuck
- Whitney Fransen

Graduate Student Activities

Master's Theses Directed

Student name	Thesis title	Graduation Date
Megan Craig-Kuhn	not completed yet	Current
Anna Looby	not completed yet	Current

Doctoral Dissertations Directed

Student name	Thesis title	Date
Amanda Bonikowske	Acute Effects of a Sit-stand Workstation on Blood Glucose Regulation in Working Women with Impaired Fasting Glucose	2014
Noel Mueller	Early Puberty: Adulthood Metabolic Consequences and Childhood Nutritional Determinants	2013
Jay Desai	Developing, Validating, and Improving a 24-hour Web Food Report Questionnaire	2013
Andrew Odegaard	Etiology of Weight Change, Type 2 Diabetes, and Mortality in Adult Chinese Singaporeans: The Singapore Chinese Health Study	2009
Emily Parker	Hip Circumference and Chronic Disease: Type 2 Diabetes, Coronary Heart Disease, Hip Fractures and Functional Limitations	2007

Doctoral Students Advised (Academic advising)

Student name	Dates
Jonathan Miller	2012-present
Noel Mueller	2010-2013
Jay Desai	2005-2013
Emily Parker	2005-2007
Andrew Odegaard	2006-2009

Doctoral Committees Served on

Student name	Role
Noel Mueller (Epidemiology)	Dissertation Advisor
Jay Desai(Epidemiology)	Dissertation Advisor
Andrew Odegaard (Epidemiology)	Dissertation Advisor
Emily Parker (Epidemiology)	Dissertation Advisor
Eric Statt (Kinesiology)	Committee Member & Chair
Amanda Bonikowske (Kinesiology)	Committee Member & Chair
Diana Brostow (Nutrition)	Committee Member & Chair
Patrick Wilson (Kinesiology)	Committee Member
Michael T. Nelson (Kinesiology)	Committee Member & Chair
Yaw Addo (Nutrition)	Committee Member
Sonja Wilhelm (Forest Resources)	Committee Member
Gabriela Vazquez (Epidemiology)	Committee Member
Shujun Gao (Epidemiology)	Committee Member

Doctoral Committees Served on outside the University of Minnesota

Student name	Role
Michael Bazaco (Epidemiology) University of Pittsburgh	Committee Member
Chung-Yu Chen (Epidemiology) University of Pittsburgh	Committee Member

Post-doctoral fellows supervised

Katie Carpenter, Ph.D., Postdoctoral Fellow, Obesity Training Grant
Maureen Tillman, Ph.D. Postdoctoral Fellow, CVD Epidemiology Training Grant
Steven Stovitz, M.D., Trainee on NCI TREC Center Grant UMN K12 award

Residents Supervised

Harpreet Bajaj, M.D.

Visiting Scholars Hosted

Michele Drehmer, PhD, Visiting Assistant Professor, from the Department of Social Medicine,
Federal University of Rio Grande do Sul, Porto Alegre, Brazil, 2014-2015

Mary M. Januschka, M.S., Visiting Instructor for research training, from Anoka-Ramsey
Community College, 2005

SERVICE AND PUBLIC OUTREACH

Service to the Discipline/Profession/Interdisciplinary Area(s)

Editorial Boards

2010-2014 Editorial Board member, Journal of Obesity
2007-2010 Editorial Board member, British Journal of Nutrition

Ad-hoc Peer Reviewer

2012-present Public Health Nutrition
2010-present Journal of Obesity
2007-present British Journal of Nutrition
2004-present American Journal of Public Health
2004-present Archives of Internal Medicine
2004-present International Journal of Behavioral Nutrition and Physical Activity
2004-present American Journal of Preventive Medicine (Also Supplement Reviewer)
2004-present New England Journal of Medicine
2004-present Prevention Science (Also Ad-hoc Consulting Editor)
2002-present Obesity Research
2001-present Circulation
2001-present Diabetes Care
2000-present British Medical Journal
1999-present Annals of Epidemiology

1999-present Journal of the American Medical Association
 1999-present International Journal of Epidemiology
 1998-present American Journal of Epidemiology

 1998-present Preventive Medicine
 1997-present Medicine & Science in Sports & Exercise

Society Memberships

The Obesity Society - Fellow
 Society for Epidemiologic Research
 American Heart Association Council on Epidemiology and Prevention
 Boston Obesity and Nutrition Research Center
 American Society for Nutritional Sciences
 American Society for Clinical Nutrition
 American Diabetes Association

Committees, review panels, boards, consulting for external funding agencies, foundations, etc.

Year	Organization	Role
2015	NIH	Peer reviewer, EPIC/CASE Study Section
2014	Kellogg Breakfast Council	Consultant for commentary paper defining breakfast habits
2014	American Heart Association	Abstract Reviewer
2014	American Diabetes Association	Abstract Reviewer
2013-15	School of Public Health and Health Technology, University of Technology, Jamaica	MPH Advisory Board Member and MPH External Examiner
2013	NIH	Peer reviewer for R15 grant proposals, study section ZRG1 PSE-R (80).
2013	Department of Health and Human Services	Peer reviewer for the “Risk Factors for Type 2 Diabetes” chapter of the 3rd edition of <i>Diabetes in America</i> , published by the DHHS, NIH/NIDDK

2012	Robert Wood Johnson Foundation	Chair, Search Committee for Deputy Director of Robert Wood Johnson Healthy Eating Research Group
2012	Diabetes UK	Grant Proposal Reviewer
2011	The Netherlands Organisation of Health, Research and Development (ZonMw)	Grant proposal reviewer
2008-10	University of Sydney, Australia	PhD Thesis external reviewer
2008	Obesity Society Annual Meeting	Abstract reviewer
2008	PAR-06-047 "Centers for Excellence for Research on Complementary and Alternative Medicine (P01)", National Center for Alternative and Complementary Medicine	Study Section / Grant Review Panel Member
2007	Blue Cross Blue Shield Expert Scientific Panel on Physical Activity Assessment	Member and speaker
2007-08	North American Association for the Study of Obesity (NAASO), The Obesity Society	Abstract Review Panel Member
2007-2009	NIH-NCI TREC Nutrition Assessment Working Group	Co-Chair, Chair
2006-present	National Dairy Council	Grant application reviewer
2007-2009	HealthPartners Research Foundation	Volunteer collaborator on the role of lifestyle in cardiometabolic risk as part of America's Health Insurance Plans' Cardiometabolic Risk Factors Reduction Initiative
2007-11	University of Sydney, Australia	PhD Dissertation Reviewer
2007-2009	NIH-NCI TREC Nutrition Assessment Working Group	Chair
2006-11	National Dairy Council	Grant Review Panel Member,
2006	Oral Abstract Presentations Section, Population Studies: The Role of Diet in the Etiology of Obesity, The Obesity Society, Annual Scientific Meeting	Chair

2006	Obesity Society Annual Meeting	Abstract reviewer
2005	NIH Aging through the Life Span: Longitudinal Data Analysis, (R01) (RFA AG-05-004)	Study Section Grant Review Panel Member
2005	NIH Ancillary Studies to Obesity Related Clinical Trials (R01) (RFA DK-03-022)	Study Section Grant Review Panel Member
2004	CDC Public Health Research: Health Protection Research Initiative, Health Promotion in the Workplace (R01) (RFA-CD-04-002)	Study Section Grant Review Panel Member
2004-08	Data Safety and Monitoring Board for NIH-funded R01-AG023410 <i>Maintaining Physical Activity in Older Adult MCO Members</i> (Brian Martinson, PI), HealthPartners Research Foundation	Chair
2005	National Institutes of Health / NIDDK Grant Review Panel, <i>Ancillary Studies to Obesity Related Clinical Trials</i> (R01) - ZDK1 GRB-N M2	Study Section Grant Review Panel Member
2005	National Institutes of Health / NIDDK Grant Review Panel, <i>Aging Through the Lifespan: Longitudinal Data Analysis</i> (R01) – RFA AG-05-004	Study Section Grant Review Panel Member
2003	Chief Manuscript Reviewer for the NHLBI-funded CARDIA Study	Chief reviewer for a scientific manuscript by Hozawa et al.
2004	Minnesota Department of Health	Invited participant in The Diabetes Prevention Planning Project (DPPP)
2004	Anoka County Community College	Lecturer on the Physiological Basis for Nutritional Recommendations
2003	Dairy Management, National Dairy Council	Scientific adviser for claims on dairy and body weight control
2003-05	Breakfast Advisory Board for the Florida Citrus Council	Member of the Scientific Advisory Board for the role of breakfast in pediatric health
2003-04	The Wellcome Trust, an independent research-funding charity based in London	Ad-hoc Grant Reviewer

2003-10	Minnesota Department of Health	Member of the Diabetes Surveillance and Data Review Advisory Group for the Minnesota Diabetes Program
---------	--------------------------------	---

Program review experience

External Consultant / Program Reviewer. MPH Program, University of Technology, Jamaica. 2014 to present.

Organization of conferences, workshops, panels, symposia

International Workshop: *Art of Successful Grant Writing: Navigating the NIH System*. A workshop at the Advancements in Medicine and Healthcare 2013 Annual Meeting, University of the West Indies, Kingston, Jamaica, June 25th, 2013. Role: I was the sole preparer and leader of this workshop, which was a full day with an audience of 60.

Symposium: *Advances in Nutrition and Chronic Disease: Food synergy, Dietary Patterns, and Diet x Gene Interactions*. Annual Meeting of the Society for Epidemiologic Research. Minneapolis, June 2012. Role: I was the sole organizer, Chair, and one of the panel speakers.

International Symposium: *The NCI – Transdisciplinary Research on Energetics and Cancer (TREC) Center Initiative: An Innovative Approach in Team Science*. Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity. Oslo, Norway, June 2007. Role: I coordinated this symposium of scientific presentations and made substantive contributions including authorship.

Service to the University/College/Department

University of Minnesota

- Chair (incoming), Biological Research Advisory Committee, UMN Grant-in Aid Program, 2015-2018 (expected).
- Ad-Hoc grant reviewer for UMN CTSI Community Partnership funding mechanism, 2014-2015
- Co-Director, UMN CTSI Community Research Van, 2014-present
- Biological Research Advisory Committee Member, UMN Grant-in Aid Program, 2011-present
- Member, *Food Issue Area Network*, affiliated with Health Foods health Lives and other groups, 2014-present.
- Member, Tenure-track Faculty Search Committee, School of Kinesiology, 2011-12
- Panelist, Doctoral Student Career Advice, 2011
- Member, Chronic Disease Cluster Group *Healthy Foods Health Lives*, Presidential Initiative, 2004
- Grant Reviewer, Academic Health Center Seed Grants, 2004
- Member, Scientific Advisory Committee, General Clinical Research Center, 2003-05

- Member, Health Sciences Policy and Review Council, Academic Health Center, 1999 (as postdoc)
- Exercise and Heart Disease Consultant, MN State Fair, University of Minnesota, 1997 (as postdoc)

School of Public Health

- Education Policy Committee Member, School of Public Health, 2012-2015
- Global Health Interdisciplinary Concentration Member, 2004-2005

Division of Epidemiology & Community Health

2012-2015	Program Director, Public Health Nutrition MPH Program
2012-2015	Division Training Committee Member
2012-2015	Chair, Public Health Nutrition Admissions
2012-2015	Chair, Public Health Nutrition Curriculum
2010-2015	Ad-hoc Part B examination Reviewer
2010-2015	Ad-hoc Part A examination Reviewer
2010-11	Hawley Student Research Award Committee
2007-11	Part A Doctoral Examination Committee
2008-10	Epi MPH Curriculum Committee
2008-2010	Evaluations of Professional and Administrative Staff, 2009-2010
2006-07	Public Health Nutrition Admissions
2006-07	Public Health Nutrition Curriculum
2006-07	Public Health Nutrition - Nutritional Epidemiology
2006-07	Plan B Doctoral Examination Committee, Reviewer

2006-07	Web Advisory Committee
2004-5	Member, Search Committee for Obesity Prevention tenure-track faculty position #129405
2004-06	Member, Faculty Executive Council
2004-06	Member, Advisory Committee
2004-05	Member, Division Head Search Committee
2004-06	Member, Research Committee
2004-5	Member, Search Committee for Obesity Prevention non-tenure track faculty position
2004-05	Member, Ph.D. Examination Part B Committee
2004	Ad-hoc Member, WebCT Evaluation Committee
2003-04	Member, Admissions Committee for Public Health Nutrition MPH
2003-04	Member, Admissions Committee for Clinical Research M.S.
2003-04	Member, Awards Committee
2003	Member of Search Committee for position SPH497

Public and Other Service

Year	Organization	Role
2012-pres.	<i>Heritage Park Community Center, North Minneapolis; YMCA of Heritage Park, North Minneapolis</i>	Volunteer consultant for research collaborations and funding strategy
2012-2014	<i>Dream of Wild Health, Minneapolis, MN</i>	Volunteer for evaluation strategies to support local American Indian nutrition and health
2011	Minnesota State Department, Employee Wellness Program	Consultant
2010	Alliance for a Health Minnesota	Volunteer Consultant

2009	Indian Health Service, St. Paul, MN	Volunteer Consultant
2004	Anoka County Community College	Lecturer on the Physiological Basis for Nutritional Recommendations
1995	Americorps, University of Pittsburgh	Public Health Lecturer and Program Assistant
1996	American College of Sports Medicine	Lecturer at Training Workshop for Exercise Specialist Certification of the American College of Sports Medicine, Pittsburgh, PA
1998	Exercise Recommendations in Chronic Medical Conditions	Research Seminar Speaker Twin Cities Dietetics Association

Lists of persons trained/mentored/advised in sponsored research activities.

Name	UMN Training	Current Position
Andrew Odegaard	Epi PhD Student, Research Assistant	Tenure-track Assistant Professor Department of Epidemiology UC-Irvine
Noel Mueller	Epi PhD student, Research Assistant	Tenure-track Assistant Professor Department of Epidemiology Bloomberg School of Public Health Johns Hopkins University
Katie Carpenter	Postdoctoral Fellow, Obesity Prevention Center	Diabetes prevention professional at Indian Health Service, Phoenix AZ
Amanda Bonikowske	Kinesiology PhD Student, Research Assistant	Assistant Professor, Carroll University, Wisconsin
Maureen Timlin	Postdoctoral Fellow, CVD Epi	Associate Professor Director of Nutrition and Dietetics Southeast Missouri State University
Emily Parker	Epi PhD student	Research Investigator, Health Partners Institute for Education and Research
Jay Desai	Epi PhD student	Research Investigator, Health Partners Institute for Education and Research
Matthew Peterson	Epi MPH Student, Research Assistant	Lifestyle coach in private sector
Nirjhar Dutta	MPH Student, Research Assistant	Medical student
Jessica Zuck	Undergraduate UROP Student	Nutrition Graduate Student
Kara Mitterholzer	MPH Student, Research Assistant	Program Specialist for USDA School Nutrition and Summer Food Service Programs.
Elizabeth Erickson	Epi MPH Student, Research Assistant	Clinical Program Manager Regulatory & Clinical Research Institute, Inc.

Teaching Experience

Courses taught (sorted by course number)

Semester/Year	Course Number	Title	Description	Enrollment	Role
Fall 2015 (Planned)	PubH 6348	Writing Research Grants	Required for Epi PhD students 2 credits	13 currently enrolled	Sole Instructor
Fall 2014	“	“	“	5	“
Fall 2013	“	“	“	8	“
Fall 2012	“	“	“	7	“
Fall 2011	“	“	“	19	“
Fall 2010	“	“	“	11	“
Spring 2016 (Planned)	PubH 6910	Review of Public Health Nutrition Research	Required for PHN MPH students 1 credit	20 expected	Sole Instructor
Spring 2015	“	“	“	22	Sole Instructor
Spring 2014	“	“	“	18	“
Spring 2013	“	“	“	24	“
Spring 2012	“	“	“	18	“
Spring 2011	“	“	“	13	“

Dawn Perniel	MPH	CHE	Thesis committee member	May 2004

Post-doctoral fellows supervised

Katie Carpenter, Ph.D., Postdoctoral Fellow, Obesity Training Grant

Maureen Tillman, Ph.D. Postdoctoral Fellow, CVD Epidemiology Training Grant

Steven Stovitz, M.D., Trainee on NCI TREC Center Grant UMN K12 award

Residents Supervised

Harpreet Bajaj, M.D., M.P.H., former Medical Resident, Hennepin County Medical Center. I supervised his MPH field experience, and he worked under my supervision to gain more experience in data analysis and manuscript writing. We recently published his paper in a peer review journal.

Mark A. Pereira, Ph.D.

Cristina Baker, M.D., Medical Resident, Hennepin County Medical Center. I served on Dr. Baker's Research Fellowship faculty committee, advising her on study design and grant writing.

Visiting Scholars Hosted

Michele Drehmer, PhD, Visiting Assistant Professor, from the Department of Social Medicine, Federal University of Rio Grande do Sul, Porto Alegre, Brazil, 2014-2015

Mary M. Januschka, M.S., Visiting Instructor for research training, from Anoka-Ramsey Community College, 2005

Other Teaching

Invited Lecturing

Year	Course Title
2004	Nutrition and Health/Disease Relationships, PubH 5933
2004	Human Nutrition and Health, PubH 5905
2004	Working in Global Health, PubH 5131
2003	Women's Health, PubH 5675
2003	Human Nutrition and Health, PubH 5905
2003	Fundamentals of Clinical Research, PubH 5501

Teaching Outside UMN

Year	Course Title and	Role
2002	Introduction to Clinical Practice Guidelines Harvard Medical School	Co-developer and co-instructor
2001-02	Critical Reading of the Medical Literature Harvard Medical School	Discussion section leader

2000-02	Nutritional Biochemistry Guest lecture	Harvard School of Public Health
2000	Maternal and Child Nutritional Surveillance Harvard School of Public Health	Guest lecturer

Honors / Awards for Teaching Effectiveness

2013 *Nominated for Student Advising Award*, School of Public Health, UMN

2012 *Outstanding Faculty Award* from the Council of Graduate Students, UMN

2012 *Nominated for Student Advising Award*, School of Public Health, UMN

2008 Teaching Commendation from the Division of Epidemiology Training Committee Chair, for excellent teaching evaluations

Discipline-Related, Professional Service (Non-University)

Editorial Boards

2010-2014 Editorial Board member, Journal of Obesity

2007-2010 Editorial Board member, British Journal of Nutrition

Ad-hoc Peer Reviewer for Journals

2012-pre Public Health Nutrition
 2012-pres PLOS ONE
 2010-pres Journal of Obesity
 2007-pres British Journal of Nutrition
 2004-present American Journal of Public Health
 2004-present Archives of Internal Medicine
 2004-present International Journal of Behavioral Nutrition and Physical Activity
 2004-present American Journal of Preventive Medicine (Also Supplement Reviewer)
 2004-present New England Journal of Medicine
 2004-present Prevention Science (Also Ad-hoc Consulting Editor)
 2002-present Obesity Research
 2001-present Circulation
 2001-present Diabetes Care
 2000-present British Medical Journal
 1999-present Annals of Epidemiology
 1999-present Journal of the American Medical Association
 1999-present International Journal of Epidemiology
 1998-present American Journal of Epidemiology
