

**CURRICULUM VITAE****Jennifer A. Linde, Ph.D., FTOS, FISBNPA, FSBM****Academic Rank**

Associate Professor, School of Public Health  
 Graduate Faculty in Epidemiology  
 Division of Epidemiology & Community Health  
 University of Minnesota  
 1300 South 2nd Street, Suite 300  
 Minneapolis, MN 55454-1015  
 Email: linde074@umn.edu

**Education**

<b>Degree</b>	<b>Institution</b>	<b>Date Degree Granted</b>
A.B.	University of Michigan, Ann Arbor Psychology (with high honors and high distinction)	1993
M.A.	University of Iowa, Iowa City Psychology	1995
Ph.D.	University of Iowa, Iowa City Clinical Psychology Advisor: Lee Anna Clark, Ph.D.	2001

**Certifications**

Mentoring Excellence Training Academy (META)	2016
Advanced Certificate in Equity and Diversity, Office of Equity and Diversity, University of Minnesota	2016
Basic Certificate in Equity and Diversity, Office of Equity and Diversity, University of Minnesota	2015

**Positions/Employment**

University of Minnesota, Twin Cities Campus School of Public Health Associate Professor with Tenure	2017-
Associate Professor, Tenure Track	2016-2017
Associate Professor, Contract Faculty	2013-2016
Assistant Professor, Contract Faculty	2005-2013
University of Minnesota, Twin Cities Campus Division of Epidemiology & Community Health Research Associate	2002-2005
University of Iowa Department of Psychology Site Coordinator, SNAP-2 Validation Project	1999-2001

Hennepin County Medical Center, Minneapolis, MN 1998-2000  
 Department of Psychiatry  
 Psychometrist

Hennepin County Medical Center, Minneapolis, MN 1997-1999  
 Department of Psychiatry  
 Psychology Intern/Fellow  
 American Psychological Association (APA)-accredited doctoral internship (1997-1998)

**Current Membership in Professional Organizations**

American Public Health Association  
 Deborah E. Powell Center for Women’s Health, University of Minnesota  
 Healthy Weight Research Center (formerly University of Minnesota Obesity Prevention Center)  
 International Society of Behavioral Nutrition & Physical Activity  
 The Obesity Society (formerly North American Association for the Study of Obesity)  
 Society of Behavioral Medicine  
 University of Minnesota Cancer Center

**HONORS AND AWARDS**

2023 Fellow, Society of Behavioral Medicine (FSBM)  
 2021 Jeopardy! champion  
 2020-2022 Commendation for excellence in teaching, Division Training Committee, *PubH 6914: Community Nutrition Intervention*  
 2019 Fellow, International Society of Behavioral Nutrition & Physical Activity (FISBNPA)  
 2017 Society of Behavioral Medicine Annual Meeting Citation Paper, *Associations of weight tracking frequency with psychosocial outcomes over 24 months in a randomized weight loss trial*  
 2016 Nominee, School of Public Health Award for Excellence in Advising  
 2014-16, 2022 Commendation for excellence in teaching, Division Training Committee, *PubH 6094: Interventions to Address Weight-Related Health and Eating Disorders*  
 2013 Fellow, The Obesity Society (FTOS)  
 2010 Top Ten Most Cited Articles, 2005-2009, Annals of Behavioral Medicine: *Self-weighing in weight gain prevention and weight loss trials*  
 2009 Commendation for excellence in teaching, School of Public Health Education Policy Committee, *PubH 6020: Fundamentals of Social and Behavioral Science*  
 2009 Delta Omega Honorary Society in Public Health  
 2008 National Cancer Institute, Division of Cancer Control and Population Sciences, 4th Annual Advanced Training Institute on Health Behavior Theory  
 2005 Invited Junior Investigator, Scientific Symposium on the Prevention of Weight Gain and Regain, Pennington Biomedical Research Center, Baton Rouge, LA  
 2004 Society of Behavioral Medicine Annual Meeting Citation Paper, *Self-weighing in weight gain prevention and weight loss trials*  
 1996 Nominee, Midwestern Association of Graduate Schools Distinguished Master's Thesis Award  
 1992 Phi Beta Kappa; Phi Kappa Phi; Golden Key National Honor Society  
 1991 Psi Chi Honor Society in Psychology

## RESEARCH AND SCHOLARSHIP

### Grants and Contracts

#### External Sources

##### Current Grants

Investigator status: Faculty affiliate  
Name of PI: Dianne Neumark-Sztainer  
External Agency: NIH/NHLBI (T32 HL150452)  
Project title and Dates: Healthy Weight Promotion in Youth and Families from Diverse Communities: An Applied Epidemiology Training Program (2019-2024)  
Direct costs: \$2,471,659 (current period)

Investigator status: Faculty affiliate  
Name of PI: Catherine Kotz / Nancy Sherwood / Melissa Laska (MPI)  
External Agency: NIH/NIDDK (T32 DK083250)  
Project title and Dates: Minnesota Obesity Prevention Training Grant (MnOPT) (2010-2025)  
Direct costs: \$2,389,965 (current period)

##### Completed Grants

Investigator status: Co-investigator  
Name of PI: Jayne Fulkerson  
External Agency: NIH/NHLBI (R01 HL123699)  
Project title and Dates: New Ulm at HOME (NU-HOME) (2016-2022)  
Direct costs: \$2,419,652

Investigator status: Principal investigator  
External Agency: NIH/NIDDK (R01 DK093586)  
Project title and Dates: Weight tracking and weight loss outcomes: establishing the standard of care (2012-2018)  
Direct costs: \$2,009,514

Investigator status: Co-investigator/Associate Director, Epidemiology & Intervention Core  
Name of PI: Allen Levine / David Bernlohr  
External Agency: NIH/NIDDK (P30 DK50456)  
Project title and Dates: Minnesota Obesity Center (MNOC) (1995-2016)  
Direct costs: \$5,596,792 (final grant year)

Investigator status: Co-investigator  
Name of PI: Leslie Lytle  
External Agency: NIH/NHLBI (U01 HL096767)  
Project title and Dates: Evaluating innovative weight reduction strategies for college students (2009-2014)  
Direct costs: \$4,116,992

Investigator status: Co-investigator/Project director  
Name of PI: Robert Jeffery  
External Agency: State of Minnesota  
Project title and Dates: Statewide census of existing programs, initiatives, and policies that target diabetes prevention and care delivery (2011-2013)  
Direct costs: \$454,454

Investigator status: Co-investigator/Project director  
Name of PI: Robert Jeffery  
External Agency: NIH/NIDDK (R01 DK67362)  
Project title and Dates: Environmental intervention for weight gain prevention (HealthWorks) (2005-2012)  
Direct costs: \$2,033,367

Investigator status: Co-investigator (2005-2010); Research associate (2004-2005)  
Name of PI: Robert Jeffery  
External Agency: NIH/NIDDK (U01 DK57182)  
Project title and Dates: Study of health outcomes of weight loss (LookAHEAD) (1999-2013)  
Direct costs: \$4,054,587

Investigator status: Research associate  
Name of PI: Robert Jeffery  
External Agency: NIH/NIDDK (R01 DK64596)  
Project title and Dates: Maintenance tailored obesity treatment (LIFE) (2004-2009)  
Direct costs: \$1,764,338

Investigator status: Co-investigator  
Name of PI: Mark Pereira  
External Agency: NIH/NCI (U54 CA116849), TREC Developmental Project  
Project title and Dates: Validation of Internet-based dietary assessment (2006-2008)  
Direct costs: \$100,000

Investigator status: Principal investigator  
External Agency: NIH/NCI (U54 CA116849), TREC Career Development Mechanism  
Project title and Dates: TREC New Investigator Award (2006-2008)  
Direct costs: \$10,000

Investigator status: Principal investigator, subcontract (2006-2008); Co-investigator, subcontract (Robert Jeffery, subcontract PI; 2005-2006)  
Name of PI: Rick Weiss, Princeton Multimedia Technologies Corporation, Princeton, NJ  
External Agency: NIH/NIDDK (R43 DK70418)  
Project title and Dates: Community web health portal for diabetes prevention (NnoLEDGE) (2005-2008)  
Direct costs: \$48,000 (subcontract)

Investigator status: Research associate, subcontract (Robert Jeffery, subcontract PI)  
Name of PI: Paul Terry, Park Nicollet Institute, Minneapolis MN  
External Agency: CDC R01 DP000104  
Project title and Dates: Standard worksite health program vs. activated consumer (ACTIVATE) (2004-2008)  
Direct costs: \$25,000 (subcontract)

Investigator status: Principal investigator, subcontract (2006-2008); Project director (Robert Jeffery, subcontract PI; 2002-2006)  
Name of PI: Greg Simon, Group Health Cooperative, Seattle WA  
External Agency: NIH/NIMH (R01 MH68127)  
Project title and Dates: Epidemiology and care of comorbid obesity and depression (MOOD) (2002-2008)  
Direct costs: \$390,186 (subcontract)

Investigator status: Research associate  
Name of PI: James Gurney  
External Agency: NIH/NCI (R21 CA106778)  
Project title and Dates: Metabolic syndrome in adult survivors of childhood ALL (2004-2006)  
Direct costs: \$216,218

Investigator status: Research associate  
Name of PI: Robert Jeffery  
External Agency: NIH/NIDDK (R01 DK53826)  
Project title and Dates: Obesity treatment in a managed care setting (Weigh-to-Be) (1999-2004)  
Direct costs: \$2,226,590

Investigator status: Research associate  
Name of PI: Robert Jeffrey  
External Agency: NIH/NHLBI (R01 HL41322)  
Project title and Dates: Dietary intervention methods in clinical trials (TRIM) (1989-2002)  
Direct costs: \$2,406,739

## **University Sources**

### **Current Grants**

Investigator status: Co-investigator  
Name of PI: Beth Lewis  
Funding source: University of Minnesota Graduate School Grant-In-Aid to Faculty  
Project title and Dates: Preliminary Efficacy of a Strength Training Intervention on Exercise Adherence and Weight among Pre-Menopausal Women (2022-2023)  
Direct costs: \$50,000

### **Completed Grants**

Investigator status: Co-Principal investigator (Community-University partnership)  
Funding source: University of Minnesota Healthy Foods, Healthy Lives Institute (21FCUR-1YR50JL)  
Project title and Dates: Learning-by-Doing to Improve Dietary Quality of Rural Latino Families: Phase 2 (2021-2022)  
Direct costs: \$50,000

Investigator status: Co-Principal investigator (Community-University partnership)  
Funding source: University of Minnesota Healthy Foods, Healthy Lives Institute (19SCUP-7M10JL)  
Project title and Dates: Learning-by-Doing to Improve Dietary Quality of Rural Latino Families (2019-2020)  
Direct costs: \$9387.60

Investigator status: Co-Principal investigator (Community-University partnership)  
Funding source: University of Minnesota Healthy Foods, Healthy Lives Institute  
(18FCUR-1YR50JL)  
Project title and Dates: Finding your Y: Preventing childhood obesity through building family  
resilience within YMCA of the Greater Twin Cities Neighborhood Centers (2019-2020)  
Direct costs: \$49,982

Investigator status: Co-investigator  
Name of PI: Carolyn Bramante  
Funding source: Champions of Change  
Project title and Dates: New opportunities to improve outcomes (NOTIO): Integrating  
self-weighting at home with the clinical care of adolescents with severe obesity (2018-2019)  
Direct costs: \$29,735

Investigator status: Co-investigator  
Name of PI: Craig Hedberg  
Funding source: MnDRIVE Global Food Venture  
Project title and Dates: Developing electronic audio-visual food safety training for limited  
English-speaking workers in the food service industry (2015-2016)  
Direct costs: \$216,185

Investigator status: Co-Principal investigator (Community-University partnership)  
Funding source: University of Minnesota Healthy Foods, Healthy Lives Institute  
Project title and Dates: Stress reduction through healthy lifestyles in the Kwanzaa Northside  
community (2013-2014)  
Direct costs: \$50,000

Investigator status: Co-investigator (faculty mentor to postdoctoral trainee)  
Name of PI: Paul Fuglestad  
Funding source: Minnesota Obesity Center Pilot & Feasibility Grant  
Project title and Dates: Matching messages to self-regulatory dispositions in a brief self-directed  
weight loss intervention (2012-2013)  
Direct costs: \$24,814

Investigator status: Co-Principal investigator (Community-University partnership)  
Funding source: University of Minnesota Healthy Foods, Healthy Lives Institute  
Project title and Dates: Body and Soul for Kwanzaa's Northside community: Bridge funding  
(2012)  
Direct costs: \$10,000

Investigator status: Co-Principal investigator (Community-University partnership)  
Funding source: University of Minnesota Healthy Foods, Healthy Lives Institute  
Project title and Dates: Body and Soul for Kwanzaa's Northside community: Supplemental  
award (2012)  
Direct costs: \$1,000

Investigator status: Co-Principal investigator (Community-University partnership)  
Funding source: University of Minnesota Healthy Foods, Healthy Lives Institute  
Project title and Dates: Body and Soul for Kwanzaa's Northside community (2011-2012)  
Direct costs: \$50,000

Investigator status: Co-investigator  
Name of PI: Ruby Nguyen  
Funding source: University of Minnesota Obesity Consortium Pilot and Feasibility Projects  
Project title and Dates: A randomized controlled trial of standard behavioral weight loss intervention on reproductive parameters in obese men (2008-2012)  
Direct costs: \$45,112

Investigator status: Principal investigator  
Funding source: University of Minnesota Graduate School Grant-In-Aid to Faculty  
Project title and Dates: Self-weighing instruction feasibility study (2009-2011)  
Direct costs: \$12,291

Investigator status: Principal investigator  
External Agency: University of Minnesota Press Doctoral Dissertation Research Grant  
Project title and Dates: Validation of the Schedule for Nonadaptive and Adaptive Personality – Youth version (SNAP-Y): Self and parent ratings of adolescent personality (1996-1997)  
Direct costs: \$2500

Investigator status: Principal investigator  
Funding source: University of Iowa Student Government Research and Presentation Grants Committee Award; University of Iowa Department of Psychology Master's Thesis Research Grant  
Project title and Dates: Analysis of categorical assignment by clinicians of criteria for selected Axis I and Axis II disorders in DSM-IV (1995)  
Direct costs: \$500

Investigator status: Principal investigator  
Funding source: University of Michigan Undergraduate Honors Thesis Research Grant Program  
Project title and Dates: Personality traits and procrastination (1992-1993)  
Direct costs: \$300

## Publications

### *Refereed Journal Articles*

*In this section, a plus sign (+) indicates a publication for which a graduate student or postdoctoral fellow was first author.*

1. Horning Dehmer ML, Friend S, Freese RL, Barr-Anderson DJ, **Linde JA**, Sidebottom A, Sommers SA, Fulkerson JA. Parent weight, diet, active living outcomes, and food-related outcomes of the family-focused NU-HOME randomized controlled trial. *Journal of the Academy of Nutrition and Dietetics* 2022, in press.  
Role: I contributed to conceptualization and implementation of the parent study, and contributed to writing and editing this manuscript.
2. **Linde JA**, Horning Dehmer ML, Lee J, Friend S, Flattum C, Arcan C, Fulkerson JA. Associations of parental dietary role modeling with diet quality among rural children: Baseline data from the NU-HOME study. *Appetite* 2022;174:106007..  
Role: I contributed to conceptualization and implementation of the study, planned and executed the analyses, and wrote the manuscript in collaboration with the study team.

3. Fulkerson JA, Horning M, Barr-Anderson DJ, Sidebottom A, **Linde JA**, Lindberg R, Friend S, Beaudette J, Flattum C, Freese RL. Weight outcomes of NU-HOME: A randomized controlled trial to prevent obesity among rural children. *International Journal of Behavioral Nutrition and Physical Activity* 2022;19:29.  
Role: I contributed to conceptualization and implementation of the study, and contributed to writing and editing this manuscript.
4. Lee J, Friend S, Horning ML, **Linde JA**, Flattum C, Lindberg R, Fulkerson JA. Are patterns of family evening meal practices associated with child and parent diet quality and weight-related outcomes? *Appetite* 2022;171:105937.  
Role: contributed to conceptualization and implementation of the study, and contributed to writing and editing this manuscript.
5. (+)Gavin KL, Sherwood NE, Wolfson J, Pereira MA, **Linde JA**. Characterizing self-monitoring behavior and its association with physical activity and weight loss maintenance. *American Journal of Lifestyle Medicine* 2021 (published online 2018);15(2):173-183.  
Role: I mentored the lead author as part of her dissertation project in the Division of Epidemiology & Community Health and contributed to editing of this manuscript, which was drawn from an NIH-funded study that I designed and implemented.
6. (+)Sala M, **Linde JA**, Crosby RD, Pacanowski CR. Affect and engagement in healthy and unhealthy weight control behaviors in college women: An ecological momentary assessment study. *Eating Behaviors* 2021;40:101439.  
Role: I consulted with the last author on study design, mentored the lead author, and contributed to editing of this manuscript.
7. Fulkerson JA, Horning ML, Barr-Anderson DJ, **Linde JA**, Sidebottom AC, Lindberg R, Friend S, Flattum C, Freese RL. Primary childhood obesity prevention in a rural community: Study design, methods and baseline participant characteristics of the NU-HOME randomized controlled trial. *Contemporary Clinical Trials* 2021;100:106160.  
Role: I contributed to conceptualization and implementation of the study, and contributed to writing and editing this manuscript.
8. (+)Sala M, **Linde JA**, Crosby RD, Pacanowski CR. State body dissatisfaction predicts momentary positive and negative affect but not weight control behaviors: An ecological momentary assessment study. *Eating and Weight Disorders* 2021;26(6):1957-1962.  
Role: I consulted with the last author on study design, mentored the lead author, and contributed to editing of this manuscript.
9. (+)Wirthlin R, **Linde JA**, Trofholz A, Tate A, Loth K, Berge JM. Associations between parent and child physical activity and eating behaviors in a diverse sample: An ecological momentary assessment study. *Public Health Nutrition* 2020;23(15):2728-2736.  
Role: I mentored the lead author as part of her master's project in the Division of Epidemiology & Community Health and contributed to editing of this manuscript.
10. (+)Martin CL, Kramer-Kostecka EN, **Linde JA**, Friend S, Zuroski VR, Fulkerson JA. Developing and implementing ethically responsible secure websites for behavioral research: An applied tutorial. *Journal of Medical Internet Research* 2020; 22(9):e19217.  
Role: I mentored the lead and second authors and contributed to editing of this manuscript.

11. Bramante CT, Lee G, Amsili S, **Linde JA**, Phelan S, Appel LJ, Bennett WL, Clark JM, Gudzone KA. Minority and low-income patients are less likely to have a scale for self-weighing in their home: A survey in primary care. *Clinical Obesity* 2020;10(4):e12363.  
Role: I mentored the lead author in transition to a faculty role and contributed to planning and editing of this manuscript.
12. (+)Kirby SR, **Linde JA**. Understanding the nutritional needs of transgender and gender-nonconforming students at a large public Midwestern university. *Transgender Health* 2020;5(1):33-41.  
Role: I mentored the lead author as part of her master's project in the Division of Epidemiology & Community Health and contributed to editing of this manuscript.
13. (+)Gavin KL, Wolfson J, Pereira M, Sherwood N, **Linde JA**. Life events, physical activity, and weight loss maintenance: Decomposing mediating and moderating effects of health behavior. *Journal of Physical Activity & Health* 2019;16(4):267-273.  
Role: I mentored the lead author as part of her dissertation project in the Division of Epidemiology & Community Health and contributed to editing of this manuscript, which was drawn from an NIH-funded study that I designed and implemented.
14. (+)Crane MM, Gavin K, Wolfson J, **Linde JA**. How accurate are recalls of self-weighing frequency? Data from a 24-month randomized trial. *Obesity* 2018;26(8):1296-1302.  
Role: I designed and implemented this NIH-funded study, mentored the lead author in concept development, and contributed to writing and editing of this manuscript.
15. (+)Pacanowski CR, **Linde JA**, Faulconbridge LF, Coday M, Safford MM, Chen H, Yanovski SZ, Ewing LJ, Wing R, Jeffery RW and the Look AHEAD Research Group. Psychological status and weight variability over eight years: Results from Look AHEAD. *Health Psychology* 2018;26(5):838-844.  
Role: I mentored the lead author in concept development and contributed to writing and editing of this manuscript.
16. Eisenberg ME, Ward E, **Linde JA**, Gollust SE, Neumark-Sztainer D. Exposure to teasing on popular television shows and associations with adolescent body satisfaction. *Journal of Psychosomatic Research* 2017;103:15-21.  
Role: I mentored the student author (E. Ward) on her master's project for her MPH program and contributed to development of this manuscript.
17. (+)Gietzen MS, Gollust SE, **Linde JA**, Neumark-Sztainer D, Eisenberg ME. A content analysis of physical activity in popular children's TV shows. *Research Quarterly in Sport and Exercise* 2017;88(1):72-82.  
Role: I mentored the lead author on her master's project for her MPH program and contributed to development of this manuscript.
18. Lytle LA, Laska MN, **Linde JA**, Moe SG, Nanney MS, Hannan PJ, Erickson DJ. Weight gain reduction among 2-year college students: The CHOICES randomized controlled trial. *American Journal of Preventive Medicine* 2017;52(2):183-191.  
Role: I contributed to study design, recruitment, and development of study procedures, and contributed to content and editing of this manuscript.

19. Laska MN, Lytle LA, Nanney MS, Moe SG, **Linde JA**, Hannan PJ. Results of a 2-year randomized, controlled obesity prevention trial: Effects on diet, activity and sleep behaviors in an at-risk young adult population. *Preventive Medicine* 2016;89:230-236.  
Role: I contributed to study design, recruitment, and development of study procedures, and contributed to content and editing of this manuscript.
20. (+)Pacanowski CR, Pisetsky EM, Berg KC, Crosby RD, Crow SJ, **Linde JA**, Mitchell JE, Engel SG, Klein MH, Smith TL, Le Grange D, Wonderlich SA, Peterson CB. Self-weighing behavior in individuals with eating disorders. *International Journal of Eating Disorders* 2016;49(8):817-821.  
Role: I mentored the lead author in concept development and contributed to writing and editing of this manuscript.
21. Moe SG, Lytle LA, Nanney MS, **Linde JA**, Laska MN. Recruiting and retaining young adults in a weight gain prevention trial: Lessons learned from the CHOICES study. *Clinical Trials: Journal of the Society for Clinical Trials* 2016;13(2):205-213.  
Role: I contributed to study design, recruitment, and development of study procedures, and contributed to data interpretation and editing of this manuscript.
22. Laska MN, Sevcik SM, Moe SG, Petrich CA, Nanney MS, **Linde JA**, Lytle LA. A 2-year young adult obesity prevention trial in the US: Process evaluation results. *Health Promotion International* 2016;31(4):793-800.  
Role: I contributed to study design, recruitment, and development of study procedures, and contributed to data interpretation and editing of this manuscript.
23. (+)Pacanowski CR, Loth KA, Hannan PJ, **Linde JA**, Neumark-Sztainer DR. Self-weighing throughout adolescence and young adulthood: Implications for well-being. *Journal of Nutrition Education & Behavior* 2015;47(6):506-515.  
Role: I mentored the lead author in concept development and contributed to writing and editing of this manuscript.
24. (+)Gavin KL, **Linde JA**, Pacanowski CR, Ho YY, French SA, Jeffery RW. Weighing frequency among working adults: Cross-sectional analysis of two community samples. *Preventive Medicine Reports* 2015;2:44-46.  
Role: I mentored the lead author in manuscript preparation and contributed to writing and editing of this manuscript.
25. **Linde JA**, Jeffery RW, Crow SJ, Brelje KL, Pacanowski CR, Gavin KL, Smolenski DJ. The Tracking Study: Description of a randomized controlled trial of variations on weight tracking frequency in a behavioral weight loss program. *Contemporary Clinical Trials* 2015;40:199-211.  
Role: I designed and implemented this NIH-funded study, analyzed data, and wrote this manuscript in collaboration with the research team.
26. (+)Pacanowski CR, **Linde JA**, Neumark-Sztainer D. Self-weighing: Helpful or harmful for psychological well-being? A review of the literature. *Current Obesity Reports* 2015;4(1):65-72.  
Role: I mentored the lead author in manuscript preparation and contributed to writing and editing of this manuscript.

27. Nanney MS, Lytle LA, Farbaksh K, Moe SG, **Linde JA**, Gardner JK, Laska MN. Weight and weight-related behaviors among 2-year college students. *Journal of American College Health* 2015;63(4):221-229.  
Role: I contributed to study design, recruitment, and development of study procedures, and contributed to data interpretation and editing of this manuscript.
28. **Linde JA**. A randomised pilot and feasibility study examining body weight tracking frequency and psychosocial health indicators. *Obesity Research & Clinical Practice* 2014;8:e399-e402.  
Role: I designed and implemented this pilot study, analyzed data, and wrote this manuscript.
29. **Linde JA**, Sevcik SM, Petrich CA, Gardner JK, Laska MN, Lozano P, Lytle LA. Translating a health behavior change intervention for delivery to two-year college students: The importance of formative research. *Translational Behavioral Medicine* 2014;4(2):160-169.  
Role: I contributed to study design, collaborated with second and third authors on data analysis, and wrote this manuscript.
30. Lytle LA, Moe SG, Nanney MS, Laska MN, **Linde JA**. Designing a weight gain prevention trial for young adults: the CHOICES study. *American Journal of Health Education* 2014;45(2):67-75.  
Role: I contributed to study design, recruitment, and development of study procedures, and contributed to editing of this manuscript.
31. Gardner J, Kjolhaug J, **Linde JA**, Sevcik S, Lytle LA. Teaching goal-setting for weight-gain prevention in a college population: Insights from the CHOICES study. *Journal of Health Education Teaching* 2013;4(1):39-49.  
Role: I mentored the lead author through the manuscript submission process and contributed to writing and editing of this manuscript.
32. (+)Graham DJ, **Linde JA**, Cousins JM, Jeffery RW. Environmental modifications and two-year measured and self-reported stair-use: A worksite randomized trial. *Journal of Primary Prevention* 2013;34(6):413-422.  
Role: I launched and managed the research project, led the research team and the lead author in conceptualization of data presentation and analysis, and contributed to editing of this manuscript.
33. **Linde JA**, Stringer D, Simms LJ, Clark LA. The Schedule for Nonadaptive and Adaptive Personality for Youth (SNAP-Y): A new measure for assessing adolescent personality and personality pathology. *Assessment* 2013;20(4):387-404.  
Role: I was the lead author on this paper, which was based on central analyses from my doctoral dissertation.
34. (+)Quick V, Loth K, MacLehose R, **Linde JA**, Neumark-Sztainer D. Prevalence of adolescents' self-weighing behaviors and associations with weight-related behaviors and psychological well-being. *Journal of Adolescent Health* 2013;52(6):738-744.  
Role: I collaborated on literature review and analysis questions and contributed to editing of this manuscript.
35. (+)VanWormer JJ, **Linde JA**, Harnack LJ, Stovitz SD, Jeffery RW. Weight change and workplace absenteeism in the HealthWorks study. *Obesity Facts* 2012;5:745-752.  
Role: I mentored the lead author as part of his dissertation project in the Division of Epidemiology & Community Health and contributed to editing of this manuscript.

36. Arterburn D, Westbrook E, Ludman E, Operskalski B, **Linde J**, Rohde P, Jeffery R, Simon G. Relationship between obesity, depression, and disability in middle-aged women. *Obesity Research & Clinical Practice* 2012;6(3):e197-e206.  
Role: I collaborated on design and analysis questions and contributed to editing of this manuscript.
37. **Linde JA**, Nygaard KE, MacLehose RF, Mitchell NR, Harnack LJ, Cousins JM, Graham DJ, Jeffery RW. HealthWorks: Results of a multi-component group randomized worksite environmental intervention trial for weight gain prevention. *International Journal of Behavioral Nutrition & Physical Activity* 2012;9:14.  
Role: I launched and managed the research project, led the research team in conceptualization of data presentation and analysis, and drafted the manuscript. *Within several months of publication, this paper was cited by the journal as Highly Accessed relative to age of publication, indicating high visibility of the work to an international audience.*
38. (+)VanWormer JJ, **Linde JA**, Harnack LA, Stovitz SD, Jeffery RW. Is baseline physical activity a determinant of participation in worksite walking clubs? Data from the HealthWorks trial. *Journal of Physical Activity & Health* 2012;9(6):849-856.  
Role: I mentored the lead author as part of his dissertation project in the Division of Epidemiology & Community Health and contributed to editing of this manuscript.
39. (+)VanWormer JJ, **Linde JA**, Harnack LA, Stovitz SD, Jeffery RW. Self-weighing frequency is associated with weight gain prevention over 2 years among working adults. *International Journal of Behavioral Medicine* 2012;19(3):351-358.  
Role: I mentored the lead author as part of his dissertation project in the Division of Epidemiology & Community Health and contributed to editing of this manuscript.
40. Simon GE, Arterburn D, Rohde P, Ludman EJ, **Linde JA**, Operskalski BH, Jeffery RW. Obesity, depression, and health services costs among middle-aged women. *Journal of General Internal Medicine* 2011;26(11):1284-1290.  
Role: I collaborated on design and analysis questions and contributed to editing of this manuscript.
41. **Linde JA**, Jeffery RW. Testing a brief self-directed behavioral weight control program. *Behavioral Medicine* 2011;37(2):47-53.  
Role: I developed and implemented this pilot study, analyzed data, and drafted this manuscript.
42. **Linde JA**, Simon GE, Ludman EJ, Ichikawa L, Operskalski BH, Arterburn D, Rohde P, Finch EA, Jeffery RW. A randomized controlled trial of behavioral weight loss treatment versus combined weight loss/depression treatment among women with comorbid obesity and depression. *Annals of Behavioral Medicine* 2011;41(1):119-130.  
Role: I analyzed data and drafted this manuscript.
43. Simon GE, Rohde P, Ludman EJ, Jeffery RW, **Linde JA**, Operskalski BH, Arterburn D. Association between change in depression and change in weight among women enrolled in weight loss treatment. *General Hospital Psychiatry* 2010;32(6):583-589.  
Role: I collaborated on design and analysis questions and contributed to editing of this manuscript.
44. Simon GE, Rohde P, Ludman EJ, Jeffery RW, **Linde JA**, Operskalski BH, Arterburn D, Finch EA. Is success in weight loss treatment contagious (do attendance and outcomes cluster within treatment groups?) *Obesity Research & Clinical Practice* 2010;4(4):283-291.  
Role: I collaborated on design and analysis questions and contributed to editing of this manuscript.

45. Ludman EJ, Ichikawa LE, Simon GE, Rohde P, Arterburn D, Operskalski BH, **Linde JA**, Jeffery RW. Breast and cervical cancer screening: Specific effects of depression and obesity. *American Journal of Preventive Medicine* 2010;38(3):303-310.  
Role: I collaborated on design and analysis questions and contributed to editing of this manuscript.
46. Ludman EJ, Simon GE, Ichikawa L, Operskalski, BH, Arterburn D, **Linde JA**, Jeffery RW, Rohde P, Finch E. Does depression reduce the effectiveness of behavioral weight loss treatment? *Behavioral Medicine* 2009;35:126-134.  
Role: I contributed to conceptualization, interpretation and editing of this manuscript.
47. Widome R, **Linde JA**, Rohde P, Ludman EJ, Jeffery RW, Simon GE. Does the association between depression and smoking vary by body mass index (BMI) category? *Preventive Medicine* 2009;49(5):380-383.  
Role: I collaborated on design and analysis questions and contributed to editing of this manuscript.
48. **Linde JA**, Wall MM, Haines J, Neumark-Sztainer D. Predictors of initiation and persistence of unhealthy weight control behaviours in adolescents. *International Journal of Behavioral Nutrition and Physical Activity* 2009;6:72.  
Role: I collaborated on design and analysis questions with the second author and wrote this manuscript.
49. Jeffery RW, **Linde JA**, Simon GE, Ludman EJ, Rohde P, Ichikawa LE, Finch EA. Reported food choices in older women in relation to BMI and depressive symptoms. *Appetite* 2009;52(1):238-240.  
Role: I contributed to conceptualization, data analysis, interpretation and editing of this manuscript.
50. Arterburn D, Ichikawa L, Ludman EJ, Operskalski B, **Linde JA**, Anderson EA, Rohde P, Jeffery RW, Simon GE. Validity of clinical body weight measures as substitutes for missing data in a randomized trial. *Obesity Research & Clinical Practice* 2008;2(4):277-281  
Role: I contributed to conceptualization, interpretation and editing of this manuscript.
51. Rohde P, Ichikawa L, Simon GE, Ludman EJ, **Linde JA**, Jeffery RW. Associations of child sexual and physical abuse with obesity and depression in middle-aged women. *Child Abuse & Neglect* 2008;32(9):878-887.  
Role: I contributed to conceptualization, interpretation and editing of this manuscript.
52. Jeffery, RW, Finch EA, **Linde JA**, Simon GE, Ludman EJ, Operskalski BH, Rohde P, Ichikawa, L. Does clinical depression affect the accuracy of self-reported height and weight in obese women? *Obesity* 2008;16(2):473-475.  
Role: I contributed to conceptualization, interpretation and editing of this manuscript.
53. (+)Hertel AW, Finch EA, Kelly KM, King C, Lando HA, **Linde JA**, Jeffery RW, Rothman AJ. The impact of expectations and satisfaction on the initiation and maintenance of smoking cessation: An experimental test. *Health Psychology* 2008;27(3 Suppl):S197-206.  
Role: I contributed to interpretation and editing of this manuscript.
54. Simon GE, Ludman EJ, **Linde JA**, Operskalski BH, Ichikawa L, Rohde P, Finch EA, Jeffery RW. Association between obesity and depression in middle-aged women. *General Hospital Psychiatry* 2008;30:32-39.  
Role: I contributed to conceptualization, interpretation and editing of this manuscript.

55. **Linde JA**, Jeffery RW, Finch EA, Simon GE, Ludman EJ, Operskalski BH, Ichikawa L, Rohde, P. Relation of body mass index to depression and weighing frequency in overweight women. *Preventive Medicine* 2007;45:75-79.  
Role: I led data analyses in conjunction with the seventh author and wrote the manuscript.
56. **Linde JA**, Utter J, Jeffery RW, Sherwood NE, McGuire MT, Pronk NP, Boyle RG. Specific food intake, fat and fiber intake, and behavioral correlates of BMI among overweight and obese members of a managed care organization. *International Journal of Behavioral Nutrition and Physical Activity* 2006;3:42.  
Role: I reworked and resubmitted this manuscript, originally submitted by the second author.
57. (+)Baldwin AS, Rothman AJ, Hertel AW, **Linde JA**, Jeffery RW, Finch EA, Lando HA. Specifying the determinants of the initiation and maintenance of behavior change: An examination of self-efficacy, satisfaction, and smoking cessation. *Health Psychology* 2006;25(5):624-636.  
Role: I contributed to data analysis, interpretation, and writing of this manuscript.
58. Jeffery RW, **Linde JA**, Finch EA, Rothman AJ, King CM. A satisfaction enhancement intervention for improving long-term weight loss. *Obesity Research* 2006;14(5):863-869.  
Role: I analyzed data in collaboration with the third author and contributed to the writing of the manuscript.
59. **Linde JA**, Rothman AJ, Baldwin AS, Jeffery RW. The impact of self-efficacy on behavior change and weight change among overweight participants in a weight loss trial. *Health Psychology* 2006;25(3):282-291.  
Role: I analyzed the data in collaboration with the second author and wrote the manuscript. *This paper serves as the citation for the self-efficacy measure developed for the study, and is frequently requested by local, national and international research teams.*
60. **Linde JA**, Erickson DJ, Jeffery RW, Pronk NP, Boyle RG. The relationship between prevalence and duration of weight loss strategies and weight loss among overweight managed care organization members enrolled in a weight loss trial. *International Journal of Behavioral Nutrition and Physical Activity* 2006;3:3.  
Role: I analyzed data in collaboration with the second author and wrote the manuscript.
61. Jeffery RW, Baxter JE, McGuire MT, **Linde J**. Are fast food restaurants an environmental risk for obesity? *International Journal of Behavioral Nutrition and Physical Activity* 2006;3:2.  
Role: I was involved in the analysis and presentation of data and contributed to the literature review for this study. *This paper was cited by the journal as Highly Accessed relative to age of publication, indicating high visibility of the work to an international audience.*
62. Levy RL, **Linde JA**, Jeffery RW, Feld KA. The association of gastrointestinal symptoms with weight, diet, and exercise in weight-loss program participants. *Clinical Gastroenterology and Hepatology* 2005;3:992-996.  
Role: I analyzed the data, wrote the Method and Results sections of the manuscript, and provided feedback to the lead author on the rest of the manuscript.

63. **Linde JA**, Jeffery RW, French SA, Pronk NP, Boyle RG. Self-weighing in weight gain prevention and weight loss trials. *Annals of Behavioral Medicine* 2005;30:210-216.  
Role: I analyzed the data and wrote the manuscript. *The paper won a Citation Award at the Society of Behavioral Medicine 2004 annual meeting, and was in the top ten most cited articles in Annals of Behavioral Medicine for 2005-2009. It received considerable media attention, including interviews or articles published in Time Magazine, Los Angeles Times, Prevention magazine, WebMD, WCCO Radio, NBC News Channel, Minnesota Public Radio, Self magazine, MSNBC, Shape magazine, University of Minnesota Public Health Moment, and University of Minnesota AHC News Service.*
64. **Linde JA**, Jeffery RW, Levy RL, Pronk NP, Boyle RG. Weight loss goals and treatment outcomes among overweight men and women enrolled in a weight loss trial. *International Journal of Obesity* 2005;29:1002-1005.  
Role: I analyzed the data and wrote the manuscript.
65. Finch EA, **Linde JA**, Jeffery RW, Rothman AJ, King CM, Levy RL. The effects of outcome expectations and satisfaction on weight loss and maintenance: Correlational and experimental analyses: A randomized trial. *Health Psychology* 2005;24:608-616.  
Role: I analyzed the data in collaboration with the lead author, prepared tables, wrote the Results section, and provided feedback on the rest of the manuscript.
66. **Linde JA**, Jeffery RW, Levy RL, Pronk NP, Boyle RG. Binge eating disorder, weight control self-efficacy, and depression in overweight men and women. *International Journal of Obesity* 2004;28:418-425.  
Role: I analyzed the data and wrote the manuscript.
67. **Linde JA**, Jeffery RW, Finch EA, Ng DM, Rothman AJ. Are unrealistic weight loss goals associated with outcomes in obese women? *Obesity Research* 2004;12:569-576.  
Role: I analyzed the data and wrote the manuscript.
68. **Linde JA**, Clark LA. Diagnostic assessment of criteria: Clinicians vs. DSM-IV. *Journal of Personality Disorders* 1998;12:126-137.  
Role: This paper describes my master's thesis. I designed the study, collected and analyzed the data, and wrote the manuscript with input from my adviser (Dr. Clark).

#### ***Non-refereed Journal Articles or Book Chapters***

1. **Linde JA**, Jeffery RW. Evolving environmental factors in the obesity epidemic. In DC Crawford, RW Jeffery, K Ball, and J Brug (Eds), *Obesity epidemiology: from aetiology to public health, 2nd ed.* Oxford University Press, 2010.  
Role: I led the updating and editing of this chapter for the second edition of the book.
2. **Linde JA**, Jeffery RW. Population approaches to obesity prevention. In DC Crawford, RW Jeffery, K Ball and J Brug (Eds), *Obesity epidemiology: from aetiology to public health, 2nd ed.* Oxford University Press, 2010.  
Role: I led the updating and editing of this chapter for the second edition of the book.
3. Jeffery RW, **Linde JA**. Evolving environmental factors in the obesity epidemic. In DC Crawford and RW Jeffery (Eds), *Obesity Prevention and Public Health.* Oxford University Press, 2005.  
Role: I contributed to the interpretation, writing and editing of this book chapter.

4. Jeffery RW, **Linde JA**. Population approaches to obesity prevention. In DC Crawford and RW Jeffery (Eds), *Obesity Prevention and Public Health*. Oxford University Press, 2005.  
Role: I contributed to the interpretation, writing and editing of this book chapter.

### **Technical Reports**

1. Higuera Forero JP, Richmond D, Gutierrez R, **Linde JA**. Hispanic Advocacy and Community Empowerment through Research (HACER) Learning-by-Doing Phase 1. Final report submitted to Healthy Foods, Healthy Lives Institute, 2020.  
Role: I was the University PI on this community-initiated project designed to address culturally relevant shopping and cooking practices among Latino families in rural Minnesota, and I contributed to the writing and editing of this report.
2. Whitby K, **Linde JA**, (+)Nummelin J. Finding your Y: Preventing childhood obesity through building family resilience within YMCA of the Greater Twin Cities Neighborhood Centers. Final report submitted to Healthy Foods, Healthy Lives Institute, 2019.  
Role: I was the University PI on this student led, community-placed project designed to address resilience and health behaviors among a diverse cohort of families who participate in community programming activities, and I contributed to the writing and editing of this report in collaboration with a student in the Community Health Promotion MPH program.
3. Gilliam III KL, **Linde JA**, Aronson A. Body and Soul for Kwanzaa's Northside Community Phase 2. Final report submitted to Healthy Foods, Healthy Lives Institute, 2014.  
Role: I was the University PI on this community-initiated project designed to address stress, trauma, and wellness in a Black church congregation in North Minneapolis and contributed to the writing and editing of this report.
4. Gilliam III KL, **Linde JA**, Aronson A. Body and Soul for Kwanzaa's Northside Community Phase 1. Final report submitted to Healthy Foods, Healthy Lives Institute, 2012.  
Role: I was the University PI on this community-initiated project designed to address healthy eating, social activities, and wellness in a Black church congregation in North Minneapolis and contributed to the writing and editing of this report.

### **Presentations and Posters**

#### ***Invited Presentations at Professional Meetings, Conferences, etc.***

1. **Linde JA** (2018, April). *Meet the Consultants*. Career development small group session at the 39th annual meeting of the Society of Behavioral Medicine, New Orleans, LA.
2. **Linde JA** (2016, May). *Weight tracking and use of wireless scale technology in research studies*. Invited address to the French delegation to the ATA 2016 Annual Conference and Trade Show, American Telemedicine Association, Minneapolis, MN.
3. **Linde JA** (2016, February). *Preliminary Results: Weight Tracking and Weight Loss Outcomes: Establishing the Standard of Care*. Invited seminar, Division Seminar Series, Division of Epidemiology & Community Health, University of Minnesota, Minneapolis, MN.

4. **Linde JA**, Rhodes R, Riley W, Spruijt-Metz D (2016, April). *Social cognitive theories no longer provide a comprehensive approach for understanding and improving health related behaviors* (S. Michie, moderator). Debate presented at the 37th annual meeting of the Society of Behavioral Medicine, Washington DC.
5. **Linde JA** (2015, November). *Associations between weight tracking frequency and psychosocial outcomes at 12 months in a randomized behavioral weight loss trial*. Invited poster presented at the Minnesota Nutrition & Obesity Center (MNOC) Obesity Research Day, University of Minnesota, Minneapolis, MN.
6. Pacanowski CR, **Linde JA**, Wolfson J, Gavin K. Crow S (2015, November). *Affective profiles in weight loss treatment-seeking adults: A longitudinal study*. Poster presented at the Minnesota Nutrition & Obesity Center (MNOC) Obesity Research Day, University of Minnesota, Minneapolis, MN.
7. Gavin K, **Linde JA**, Pacanowski CR, French SA, Jeffery RW, Ho YY (2015, November). *Weighing frequency among working adults: Cross-sectional analyses of two community samples*. Poster presented at the Minnesota Nutrition & Obesity Center (MNOC) Obesity Research Day, University of Minnesota, Minneapolis, MN.
8. **Linde JA** (2014, February). *The Tracking Study: An Overview*. Invited seminar, Nutrition Coordinating Center, University of Minnesota, Minneapolis, MN.
9. **Linde JA** (2013, September). *Epidemiology & Intervention Core Directors Report, Minnesota Obesity Center*. Invited presentation to External Advisory Board, Minnesota Obesity Center (MNOC) Obesity Research Day, University of Minnesota, Minneapolis, MN.
10. **Linde JA** (2013, March). *Weight tracking and weight loss outcomes: Establishing the standard of care*. Invited seminar, Division Seminar Series, Division of Epidemiology & Community Health, University of Minnesota, Minneapolis, MN.
11. **Linde JA**, Galloway A (2012, October). *Body and soul for Kwanzaa's Northside community: A Healthy Foods, Healthy Lives Institute Community-University partnership*. Invited address to the University of Minnesota Healthy Food Summit, Minnesota Landscape Arboretum, Chanhassen, MN.
12. **Linde JA** (2012, June). *Statewide census of existing programs, initiatives and policies that target diabetes prevention and care delivery: Inventory of prevention initiatives*. Presentation to the Minnesota Department of Health Action Group 6 – Prevention Committee, American Diabetes Association regional office, June 2012, St. Louis Park, MN.
13. **Linde JA** (2012, May). *Showcasing career projections: Unpacking career paths*. Pre-conference Early Career Researcher workshop panel, 12th conference of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Austin, TX.
14. **Linde JA** (2011, October). *Weight Tracking and Weight Loss Outcomes: The life cycle of a grant submission*. Invited presentation, Minnesota Obesity Prevention Training Grant Seminar, University of Minnesota, Minneapolis, MN.
15. **Linde JA** (2010, August). *Worksite intervention to promote healthy weight management*. Brown bag presentation to staff of the Minnesota Department of Health, St. Paul, MN.

16. **Linde JA** (2010, March). *Obesity in the workplace: Prevalence and consequences*. Symposium and panel discussion presented at the Emerging Issues and Controversies in Occupational Health and Safety conference, Midwest Center for Occupational Health and Safety, University of Minnesota, Minneapolis, MN.
17. **Linde JA** (2009, November). *Worksite intervention to promote health behavior change*. Invited address, Health@Work Making Healthy Easy: Developing Worksite Strategies to Help Employees Maintain Healthy Weights workshop, Hennepin County Public Health Promotion, Minneapolis, MN.
18. **Linde JA** (2008, April). *Epidemiology and treatment of comorbid obesity and depression*. Invited seminar, Division Seminar Series, Division of Epidemiology & Community Health, University of Minnesota, Minneapolis, MN.
19. **Linde JA** (2008, January). *Development and evaluation of targeted behaviors for weight gain prevention*. Invited seminar, Energy Balance Research Group, Division of Epidemiology & Community Health, University of Minnesota, Minneapolis, MN.
20. **Linde JA** (2006, September). *Population/intervention: population studies research interest cluster*. Invited address, Minnesota Obesity Center (MNOC) Center-Wide Retreat, University of Minnesota, Minneapolis, MN.
21. **Linde JA** (2006, August). *Pilot study of a brief self-directed intervention for weight control*. Invited seminar, Administrative Luncheon Speaker Series, Division of Epidemiology & Community Health, University of Minnesota, Minneapolis, MN.
22. **Linde JA** (2006, April). *Pilot study of a brief self-directed intervention for weight control*. Invited seminar, Division Seminar Series, Division of Epidemiology & Community Health, University of Minnesota, Minneapolis, MN.
23. **Linde JA** (2005, November). *Pilot study of a self-directed intervention for weight control*. Invited seminar, Obesity Research Group, Division of Epidemiology & Community Health, University of Minnesota, Minneapolis, MN.
24. **Linde JA, Jeffery RW, Finch EA, Ng DM, Rothman AJ** (2005, April). *Weight loss goals, attendance at treatment sessions, and short-term weight outcome in obese women enrolled in a weight loss trial*. Invited poster presented at the Minnesota Obesity Center (MNOC) Center-Wide Retreat, Minneapolis, MN.
25. **Linde JA, Rothman AJ, Baldwin AS, Jeffery RW** (2005, April). *The impact of self-efficacy on behavior change and weight change among overweight participants in a weight loss trial*. Invited poster presented at the Minnesota Obesity Center (MNOC) Center-Wide Retreat, Minneapolis, MN.
26. **Linde JA** (2003, November). *Issues in short-form dietary assessment*. Invited seminar, Obesity Research Group, Division of Epidemiology & Community Health, University of Minnesota, Minneapolis, MN.
27. **Linde JA** (2003, August). *Self-weighing frequencies in the Weigh-to-Be and Pound of Prevention datasets*. Invited seminar, Obesity Research Group, Division of Epidemiology & Community Health, University of Minnesota, Minneapolis, MN.

28. Clark LA, Wu K, **Linde J** (1999, Spring). *Assessment of adolescent personality using the SNAP-Y*. Invited paper presented at the Spring Convention of the Iowa Psychological Association, Des Moines, IA.

***Contributed Papers Presented at Professional Meetings, Conferences, etc.***

1. Horning ML, Friend S, Freese RL, Barr-Anderson DJ, Lindberg R, **Linde JA**, Fulkerson JA. (2021, November). *Parent weight, diet, & active living outcomes of the NU-HOME randomized controlled trial*. Paper presented at ObesityWeek®: The Obesity Society annual meeting (virtual meeting).
2. Lee J, Friend S, Horning M, **Linde JA**, Flattum C, Lindberg R, Fulkerson J. (2021, June). *Are patterns of family-dinner practices associated with child and parent diet quality and body weight?* Paper presented at the 20th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA) (virtual meeting).
3. Fulkerson JA, Horning M, Barr-Anderson DJ, Sidebottom A, **Linde JA**, Lindberg R, Friend S, Beaudette J, Flattum C, Freese R. (2020, November). *Weight-related outcomes of the New Ulm at Home (NU-HOME) randomized controlled trial to prevent childhood obesity in rural communities*. Paper presented at ObesityWeek®: The Obesity Society annual meeting (virtual meeting).
4. **Linde JA**, Horning Dehmer M, Friend S, Arcan C, Flattum C, Fulkerson JA. (2020, June). *Associations of family meals and parent meal-related behaviors with fruit and vegetable servings and dietary intake of children: Data from a randomized controlled trial in a rural community in the United States*. Paper accepted to the 19th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Auckland, New Zealand. (limited virtual meeting).
5. Fulkerson JA, Horning M, **Linde JA**, Friend S, Vacquier M. (2020, April). *Meal planning as an important behavior change strategy for dietary intake and obesity among families of school-age children*. Paper accepted to the 41st annual meeting of the Society of Behavioral Medicine, San Francisco, CA (conference canceled).
6. Pacanowski CR, **Linde JA**, Crosby RD, Engel SG, Dominick GM. (2019, March). *A randomized trial of the impact of self-weighing on affective reactivity using ecological momentary assessment*. Paper presented at the International Conference on Eating Disorders (ICED 2019), New York, NY.
7. Fulkerson JA, Lindberg R, Sidebottom A, Horning M, **Linde JA**, Barr-Anderson D, Friend S, Sommerness S. (2018, April). *The NU-HOME study: A collaboration between University of Minnesota childhood obesity researchers and leaders in organizations working in a rural community*. Oral presentation at School of Nursing Research Day, Minneapolis, MN.
8. Fulkerson JA, Lindberg R, Sidebottom A, **Linde JA**, Horning M, Barr-Anderson D. (2018, March). *New Ulm-Healthy Home Environments via the Mealtime Environment (NU-HOME): A case study*. Paper presented at the Advancing Publicly-Engaged Research, Teaching, and Learning to Address Society's Grand Challenges Conference, University of Minnesota, Minneapolis, MN.
9. Fuglestad PT, Rothman AJ, **Linde JA**. (2017, October). *Mediators of weight loss in a regulatory-focus-based intervention*. Paper presented at the 40th annual meeting of the Society of Southeastern Social Psychologists (SSSP), Atlantic Beach, FL.

10. Laska MN, Lytle LA, Moe SG, **Linde JA**, Nanney MS. (2017, June). *Interventions during the transition into young adulthood: Lessons learned from the CHOICES study*. Symposium paper presented at the 16th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Victoria BC, Canada.
11. **Linde JA**. (2017, March). *The Tracking Study: Long-term weight changes by weighing frequency condition in a randomized behavioral weight loss trial*. Paper presented at the 38th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
12. **Linde JA**. (2017, March). *Associations of weight tracking frequency with psychosocial outcomes over 24 months in a randomized weight loss trial*. Citation paper presented at the 38th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
13. **Linde JA**, Pacanowski CR, Gavin KL. (2015, April). *The Tracking Study: Weight change over twelve months by weighing frequency condition*. Paper presented at the 36th annual meeting of the Society of Behavioral Medicine, San Antonio, TX.
14. **Linde JA** (2013, March). *Weight tracking and weight loss: Intervention development using scale technology*. Symposium paper presented at the 34th annual meeting of the Society of Behavioral Medicine, San Francisco, CA.
15. **Linde JA**, Petrich C, Sevcik SM, Lytle LA (2012, May). *Developing and implementing the CHOICES intervention: Formative research*. Symposium paper presented at the 11th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Austin, TX.
16. **Linde JA** (2012, March). *Decade of Discovery efforts to identify interventions and build a diabetes-related data resource for communities in Minnesota: Inventory of prevention initiatives*. Symposium paper presented at the 16th annual Minnesota Health Services Research Conference, Minneapolis, MN.
17. **Linde JA**, Jeffery RW (2008, March). *Behavioral weight loss vs. combined weight loss/depression treatment among women with comorbid obesity and depression*. Paper presented at the 29th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
18. Ludman EJ, Simon GE, Rohde P, **Linde JA**, Jeffery RW, Operskalski BH, Ichikawa L, Finch EA, Arterburn D (2008, March). *The effect of major depression on behavioral weight loss treatment success*. Paper presented at the 29th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
19. **Linde JA**, Jeffery RW (2006, July). *Recall of dietary and physical activity habits during versus not during weight control*. Paper presented at the 5th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Boston, MA.
20. **Linde JA**, Jeffery RW, Sherwood NE, Pronk NP, Boyle RG (2005, June). *Prevalence, duration, and associations of weight control strategies among obese managed care organization members enrolled in a weight loss trial*. Paper presented at the 4th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Amsterdam, Netherlands.

21. Teixeira PJ, **Linde JA**, Jeffery RW, Going SB, Lohman TG, Rothman AJ, Sardinha LB (2005, June). *Weight idealization and outcome evaluations in behavioral weight control: Cross-sectional correlates and association with treatment success*. Paper presented at the 4th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Amsterdam, Netherlands.
22. Jeffery RW, Baxter JE, McGuire MT, **Linde JA** (2004, June). *Are fast food restaurants an environmental risk for obesity?* Paper presented at the 3rd annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Washington, DC.
23. Levy RL, Jeffery RW, **Linde JA**, White CR, Garner MD, Feld KA, Whitehead WE (2004, May). *Association between body mass index (BMI), gastrointestinal symptoms, and irritable bowel syndrome in obese patients*. Paper presented at Digestive Disease Week, New Orleans, LA.
24. **Linde JA**, Jeffery RW, French SA, Pronk NP, Boyle RG (2004, March). *Self-weighing in weight gain prevention and weight loss intervention trials*. Citation paper presented at the 25th annual meeting of the Society of Behavioral Medicine, Baltimore, MD.

### Posters

1. Pacanowski CR, Cao L, Crosby RD, Engel S, Dominick G, **Linde JA**. (2022, May). *Daily self-weighing compared to an active control group causes increases in anxiety and depression in emerging adult women*. Poster presented at the 21st annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Phoenix, AZ.
2. Fulkerson JA, Barr-Anderson DJ, Horning ML, Sidebottom AC, **Linde JA**, Friend S, Freese RL. (2021, November). *Home food environment and child dietary and physical activity outcomes of the NU-HOME RCT*. Poster presented at ObesityWeek®: The Obesity Society Annual meeting (virtual meeting).
3. Bramante C, Ryder J, **Linde JA**, Fox C, Kelly A, Gross A. (2020, November). *Weighing at home connected to the electronic health record of adolescents seeking obesity treatment*. Poster presented at ObesityWeek®: The Obesity Society Annual meeting (virtual meeting).
4. Higuera Forero JP, Richmond D, Gutierrez R, **Linde JA**. (2020, February). *Hispanic Advocacy and Community Empowerment through Research (HACER) Learning-by-Doing*. Poster presented at the Annual Power of Partnerships: Putting Results Into Action event, St Paul MN.
5. Sala M, **Linde JA**, Crosby RD, Pacanowski CR. (2019, September). *Body satisfaction predicts positive and negative affect: An ecological momentary assessment study*. Poster presented at the Eating Disorder Research Society, Chicago, IL.
6. Bramante CT, Joseph AM, **Linde JA**, Billington CJ, Fu SS, Widome R. (2019, May). *Self-weighing frequency and associated characteristics among veterans of the wars in Iraq and Afghanistan*. Poster presented at the Society for General Internal Medicine (SGIM) Annual Meeting 2019, Washington DC.
7. Bramante CT, Lee G, Amsili S, **Linde JA**, Phelan S, Bennett WL, Appel L, Clark JM, Gudzone K. (2018, November). *Minority and low-income urban clinic patients less likely to have a home scale for self-weighing*. Poster presented at The Obesity Society annual meeting, Obesity Week 2018, Nashville TN.

8. Cespedes Y, **Linde JA**, Friend S, Fulkerson JA. (2018, July). *How does place influence children's willingness to try new vegetables?* Poster presented at the 51st annual meeting of the Society for Nutrition Education and Behavior, Minneapolis, MN.
9. Gavin KL, **Linde JA**, Sherwood NE, Wolfson J, Buman MP, Pereira MA. (2018, May). *Weight status differences in light-intensity physical activity increases from a workplace behavioral intervention.* Poster presented at the 65th annual meeting of the American College of Sports Medicine, Minneapolis MN.
10. Rahman A, Gavin KL, **Linde JA**. (2018, April). *Gender differences in the weight loss program experience.* Poster presented at the 39th annual meeting of the Society of Behavioral Medicine, New Orleans, LA.
11. Pacanowski CR, Dominick GM, **Linde JA**, Engel SG, Crosby RD. (2018, April). *Self-weighing: an ecological momentary assessment (SW EMA): design and acceptability.* Poster presented at the 39th annual meeting of the Society of Behavioral Medicine, New Orleans, LA.
12. Gavin KL, Wolfson J, Pereira M, Sherwood NE, **Linde JA**. (2018, April). *Life events, physical activity, and weight loss maintenance: Decomposing mediating and moderating effects on health behavior.* Poster presented at the 39th annual meeting of the Society of Behavioral Medicine, New Orleans, LA.
13. Pacanowski CR, Miller J, **Linde JA**, Neumark-Sztainer D. (2017, April). *Does self-weighing affect mood? For whom?* Poster presented at the 38th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
14. Gavin KL, **Linde JA**. (2017, April). *Self-monitoring behavioral characteristics as predictors of physical activity and weight loss maintenance.* Poster presented at the 38th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
15. Crane MM, **Linde JA**. (2017, April). *How accurate are recalls of self-weighing frequency? Data from a 24-month randomized trial.* Poster presented at the 38th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
16. Gavin KL, Crow SJ, **Linde JA**. (2016, April). *Body image similarities in overweight and obese adult men and women.* Poster presented at the 37th annual meeting of the Society of Behavioral Medicine, Washington DC.
17. Fuglestad PT, Rothman AJ, **Linde JA**. (2016, January). *Tailoring messages to regulatory focus in a self-directed weight loss intervention.* Poster presented at the 17th annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
18. **Linde JA**. (2015, November). *Associations between weight tracking frequency and psychosocial outcomes at 12 months in a randomized behavioral weight loss trial.* Poster presented at ObesityWeek®: The Obesity Society annual meeting, Los Angeles, CA.
19. Pacanowski C, Loth K, Hannan P, **Linde J**, Neumark-Sztainer, D. (2015, April). *Self-weighing throughout adolescence and young adulthood: Implications for well-being.* Poster presented at the International Conference on Eating Disorders (ICED 2015), Boston, MA.

20. Lytle LA, Laska M, Nannery M, **Linde J**, Moe S. (2015, March). *Evaluating the effectiveness of a web-based intervention to prevent unhealthy weight gain in college students*. Poster presented at American Heart Association EPI/Lifestyle 2015, Baltimore, MD.
21. Pacanowski CR, Berg KC, Crosby RD, Pisetsky EM, Peterson CB, Crow S, **Linde JA**, Mitchell JE, Engel S, Klein MH, Smith TL, LeGrange D, Wonderlich S. (2014, October). *Self weighing and reaction to prescribed weighing in eating disorders*. Poster presented at the 20th Annual EDRS Meeting, San Diego, CA.
22. Nguyen RHN, **Linde JA**, Redmon JB, De Jonge C (2012, September). *A pilot randomized controlled trial of lifestyle behavioral weight loss intervention on reproductive parameters among young, obese men*. Poster presented at the Obesity Society annual meeting at Obesity Week 2012, San Antonio, TX.
23. **Linde JA** (2011, June). *Testing an adaptation of the Healthy Eating Index as a research trial tool*. Poster presented at the 10th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Melbourne, Australia.
24. **Linde JA** (2011, April). *Self-weighing frequency and psychosocial outcomes*. Poster presented at the 32nd annual meeting of the Society of Behavioral Medicine, Washington, DC.
25. **Linde JA**, Graham DJ, Jeffery RW (2010, April). *HealthWorks: Results of a multi-component worksite intervention to prevent weight gain*. Poster presented at the 31st annual meeting of the Society of Behavioral Medicine, Seattle, WA.
26. **Linde JA**, Jeffery RW (2009, June). *Dietary and physical activity habits and exposures of working U.S. adults: Preliminary results from the HealthWorks project*. Poster presented at the 8th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Lisbon, Portugal.
27. Arterburn D, Westbrook EO, Ichikawa L, Ludman EJ, Operskalski B, **Linde JA**, Anderson E, Rohde P, Jeffery RW, Simon GE (2008, October). *Relationship between obesity, depression, and disability in middle-aged women*. Poster presented at the 16th annual meeting of the Obesity Society, Phoenix, AZ.
28. **Linde JA**, Simon G, Ludman EJ, Ichikawa L, Operskalski B, Arterburn D, Rohde P, Jeffery RW, Anderson E (2008, August). *Patterns of diet and physical activity change among women with comorbid obesity and depression enrolled in a weight loss trial*. Poster presented at the 10th annual meeting of the International Congress of Behavioral Medicine, Tokyo, Japan.
29. Ludman EJ, Simon GE, Ichikawa L, Operskalski B, Arterburn D, **Linde JA**, Jeffery RW, Rohde P, Finch E (2008, March). *The effect of depression and obesity on breast and cervical cancer screening*. Poster presented at the 29th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
30. **Linde JA**, Jeffery RW (2007, June). *Changes in recall of perceived dietary and physical activity habits following a minimal-contact weight control intervention*. Poster presented at the 6th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Oslo, Norway.

31. **Linde JA**, Wall MM, Haines J, Neumark-Sztainer D (2007, March). *Predictors of initiation and persistence of unhealthy weight control behaviors in adolescents: An exploratory analysis*. Poster presented at the 28th annual meeting of the Society of Behavioral Medicine, Washington, DC.
32. **Linde JA**, Jeffery RW, Finch EA, Simon GE, Ludman EJ, Operskalski BH, Ichikawa L, Rohde P (2006, May). *Weight monitoring and depression: Impact on body mass index in overweight women*. Poster presented at the 18th annual meeting of the Association for Psychological Science (American Psychological Society), New York, NY.
33. **Linde JA**, Jeffery RW (2006, March). *A pilot study of a brief self-directed behavioral weight control program*. Poster presented at the 27th annual meeting of the Society of Behavioral Medicine, San Francisco, CA.
34. **Linde JA**, Teixeira PJ, Jeffery RW, Going SB, Lohman TJ, Sardihna LB (2005, October). *Demographic predictors of attrition and weight loss among women enrolled in behavioral weight loss programs in the United States and Portugal*. Poster presented at the 13th annual meeting of the North American Association for the Study of Obesity, Vancouver, BC, Canada.
35. Jeffery RW, **Linde JA**, Finch EA, Rothman AJ (2005, October). *Don't look back: Improving weight maintenance through participant satisfaction*. Poster presented at the 13th annual meeting of the North American Association for the Study of Obesity, Vancouver BC, Canada.
36. **Linde JA**, Jeffery RW, Sherwood NE, Pronk NP, Boyle RG (2005, June). *Associations of self-reported health status with diet, physical activity, and weight change among obese managed care organization members enrolled in a weight loss trial*. Poster presented at the 4th annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Amsterdam, Netherlands.
37. **Linde JA**, Rothman AJ, Baldwin AS, Jeffery RW (2005, April). *The impact of self-efficacy on behavior change and weight change among overweight participants in a weight loss trial*. Poster presented at the 26th annual meeting of the Society of Behavioral Medicine, Boston, MA.
38. **Linde JA**, Jeffery RW, Baxter JS, Wing RR (2004, November). *A brief self-report method to assess total energy intake*. Poster presented at the 12th annual meeting of the North American Association for the Study of Obesity, Las Vegas, NV.
39. **Linde JA**, Jeffery RW, Baxter JS, Wing RR (2004, June). *Development of a brief self-report questionnaire to assess total energy intake*. Poster presented at the 3rd annual meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), Washington, DC.
40. Levy RL, Jeffery RW, **Linde JA**, White CR, Garner MD, Feld KA, Whitehead WE (2004, May). *Association between dieting practices, gastrointestinal symptoms, and irritable bowel syndrome among participants in a weight loss program*. Poster presented at Digestive Disease Week, New Orleans, LA.
41. Levy RL, Jeffery RW, **Linde JA**, White CR, Garner MD, Feld KA, Whitehead WE (2004, March). *Correspondence between gastrointestinal symptoms and body mass index among obese participants in a weight loss program*. Poster presented at the annual meeting of the American Psychosomatic Society, Orlando, FL.

42. Levy RL, Jeffery RW, **Linde JA**, White CR, Garner MD, Feld KA, Whitehead WE (2004, March). *Correspondence between gastrointestinal symptoms and dieting practices among participants in a weight loss program*. Poster presented at the annual meeting of the American Psychosomatic Society, Orlando, FL.
43. Levy RL, Jeffery RW, **Linde JA**, White CR, Garner MD, Feld KA, Whitehead WE (2004, March). *Association between dieting practices and gastrointestinal symptoms among participants in a weight loss program*. Poster presented at the 25th annual meeting of the Society of Behavioral Medicine, Baltimore, MD.
44. **Linde JA**, Jeffery RW, Levy RL, Pronk NP, Boyle RG (2003, October). *Associations between weight loss goals, psychosocial factors, and treatment outcomes among overweight men and women enrolled in a weight loss trial*. Poster presented at the 11th annual meeting of the North American Association for the Study of Obesity, Ft. Lauderdale, FL.
45. Finch EA, **Linde JA**, Jeffery RW, Rothman AJ (2003, October). *The effect of outcome expectations and satisfaction on weight loss and maintenance*. Poster presented at the 11th annual meeting of the North American Association for the Study of Obesity, Ft. Lauderdale, FL.
46. **Linde JA**, Jeffery RW, Finch EA, Ng DM, Rothman AJ (2003, March). *Weight loss goals, attendance at treatment sessions, and short-term weight outcome in obese women enrolled in a weight loss trial*. Poster presented at the 24th annual meeting of the Society of Behavioral Medicine, Salt Lake City, UT.
47. **Linde JA**, Harrison JA, Benotsch EG (1997, August). *Predicting psychotherapy completion status using client demographic and clinical characteristics*. Poster presented at the 105th annual meeting of the American Psychological Association, Chicago, IL.
48. **Linde JA**, Moran PJ, Clark LA (1996, September). *SNAP and MMPI-2 PSY-5: Comparison in clinical and college samples*. Poster presented at the 11th annual meeting of the Society for Research in Psychopathology, Atlanta, GA.
49. **Linde JA**, Clark LA (1995, October). *Analysis of categorical assignment of criteria for selected Axis I and Axis II disorders in DSM-IV*. Poster presented at the 10th annual meeting of the Society for Research in Psychopathology, Iowa City, IA.

## TEACHING AND CURRICULUM DEVELOPMENT

### University of Minnesota

#### *Courses Taught*

PubH 6914, Community Nutrition Intervention	2015-
PubH 6094 (formerly 6000), Obesity & Eating Disorder Interventions	2013-
Course redeveloped for Community Health Promotion MPH program, 2013	
Course retitled: Interventions to Address Weight-Related Health and Eating Disorders	2021-
PubH 6020, Fundamentals of Social and Behavioral Science (online)	2007-
Course redeveloped and updated in collaboration with fellow instructors, 2011, 2018	

#### *Invited Guest Lectures*

PubH 6341, Epidemiologic Methods I	2013-2019,
Weight tracking and weight loss outcomes: Establishing the standard of care (behavioral randomized controlled trials)	2021
PubH 8800, Reducing Cancer-Related Inequities	2014
Local community intervention: The Kwanzaa collaborative program	
PubH 3940, Concepts and Controversies in Public Health Nutrition and Health Promotion	2012
Nutrition promotion in worksites	
PubH 6051, Community Health Theory and Practice II	2007-2010,
Worksite intervention to promote health behavior change	2012

### University of Iowa

#### *Courses taught*

31:013, Introduction to Clinical Psychology	1995, 1996
Course developed in collaboration with two co-instructors, 1995	

## ADVISING AND MENTORING

### Graduate Student Activities

#### Master's Projects Directed

Maddison Bessler	Critical analysis of the applied practice experience:	pending
Katie Twyman-Metzger	Critical analysis of a school-based sexual health curriculum	pending
Laura Jacobson	Adjustments to Head Start service delivery during the COVID-19 pandemic	pending
Emilija Motivans	Suicide risk and sociodemographic or environmental protective factors among youth in Minnesota	pending
Matt Laden	Critical analysis of the applied practice experience: University of Minnesota RecWell Center programming	2022
Jordanna Midthun	A secondary data analysis examining the influence of normative beliefs on intention to seek help	2022

Choua Xiong	Critical analysis of the applied practice experience: The Minneapolis Health Department Rethink Your Drink Initiative	2022
Jenna Yeakle	Resilient Communities Project, Center for Urban and Regional Affairs: Creating an edible landscape in Scott County	2022
Alexandra Dusek	Mfangano Island COVID-19 response: Lessons learned from a dynamic community engagement strategy to address COVID-19 in rural East Africa	2021
LauRen Gaines	Executive summary of the HealthEast community needs assessment field experience	2021
Jeffrey Ting	Critical analysis of contact tracing applied practice experience	2021
Ingie Osman	Social connectedness and health outcomes among adults on probation	2021
Sarah Bruess	A critical analysis of the YMCA-Cycle Health Partnership	2021
Anne Sleeth	Farmers market metrics project: The presence of farmers markets in the Twin Cities	2020
Carly Edson	Evaluating 2019 Compliance for the Minneapolis Staple Foods Ordinance	2020
Joy Nollenberg	Relationships between specific types of weight/shape preoccupation and food/weight/shape-related messages from parents	2019
Amber Ferguson	Addressing the spectrum of eating and weight concerns: A needs assessment in the pediatric primary care setting	2019
Yazmin Cespedes	Dietary intake assessment with rural elementary-aged children	2019
Julia Nummelin	Needs assessment for obesity prevention program	2019
Caitlin Pyrz	Maplewood community food assessment	2019
Melanie Birtell	Focus group evaluation of parent perceptions of the Hopkins Public Schools Summer Food Service Program	2019
Kara Raether	Community outreach through urban farming	2019
Robin Friebur	Hope Community food health assessment	2018
Haley Miller	Employee wellness toolkit evaluation	2018
Rachel Wirthlin	Parent modeling of physical activity/eating behaviors and associations with child physical activity/eating behaviors among different racial/ethnic groups	2018
Devon McFadden	East Side Table program evaluation	2018
Kaitlin Bagley	University YMCA undergraduate employee wellbeing program evaluation	2018
Sierra Kirby	Nutrition and health concerns of transgender college students	2018
Abbie Lee	Qualitative analysis for youth violence prevention	2018
Linda Rogers	Understanding through discussion: Assessment of food choice changes and needs of members of a social club for adults with serious persistent mental illness	2017

Natalie Loots	Southside garden produce share	2017
Cassandra Shaker	Weight control behaviors in a worksite population	2017
Anna Bartholomay	2014 evaluation of Nice Ride Neighborhood	2016
Ellen Ward	Project EAT media coding analysis	2016
Stephanie Merek	Yoga intervention for eating disorders in a community treatment setting	2015
Anneka Kmiecik	Exposure to violence, spirituality, social support, and mental health in an urban American Indian community	2015
Liana Schreiber	Food access and security in food deserts: Pre and post-mobile market intervention	2015
Anna Carpenter	Referring clients to mental health services: Experiences of child protection practitioners working with refugee families	2014
Pam Neuenfeldt	Effects of music on exercise experience of cardiac and pulmonary rehabilitation participants (EMUSE)	2013
Patrick Mustain	Content analysis of popular health and fitness magazines: A comparison with ACSM and CDC exercise recommendations	2013
Betsy Christensen	Working together for walkability: what is needed for successful collaboration across sectors?	2012
Abigail Leonhart	Corporate-life balance: an organizational culture assessment	2012
Alison Helm	Needs assessment of Hepatitis B virus testing, vaccination and treatment among immigrant populations in Minnesota	2012
Kaisa Anderson	University of Minnesota undergraduates' perceptions and acceptance of campus food policies	2011
Anne Mills	A program evaluation of the compulsive overeating intensive outpatient program (COE-IOP) at the Emily Program Treatment Center	2011
Dawn Epperson	Implementation and maintenance of a school-based obesity prevention program: insight from the New Moves control schools	2010
Starchild Weivoda	Outcomes evaluation of the Phase IV cardiac rehabilitation program "Heart Healthy Living"	2010
Temitope Olaleye	Improving school breakfast participation through environment and policy changes: a pilot study	2010
Kay Houghton	An evaluation of the 2009 Shape Up Challenge	2010
Emmy Myszka	HPV vaccine policy survey	2008
Joy Ahern	Focus groups addressing depression in the workplace	2007
